**FINAL ADMINISTRATIVE DECISION**
**ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Bukowski
DOCKET NO.: 06-20553.001-R-1
PARCEL NO.: 23-11-206-018-0000

The parties of record before the Property Tax Appeal Board are David Bukowski, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

| | |
|---|---|
| **LAND:** | $ 5,097 |
| **IMPR.:** | $ 20,160 |
| **TOTAL:** | $ 25,257 |

Subject only to the State multiplier as applicable.

## ANALYSIS

The subject property is improved with a multi-level style dwelling of frame and masonry construction containing 1,378 square feet of living area. The subject dwelling is 33 years old. Features of the property include a partial basement finished with a recreation room, central air conditioning and a two-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as multi-level frame and masonry dwellings that range in size from 1,331 to 1,714 square feet of living area. The comparables range in age from 19 to 40 years old. Each comparable has a partial basement, three comparables have central air conditioning and one comparable has a fireplace. The comparables have improvement assessments ranging from $10.92 to $12.15 per square feet of living area. The subject's improvement assessment is $14.63 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on three comparable properties consisting of multi-level frame and masonry dwellings that range in size from 1,359 to 1,382 square feet of living area. The comparables range in age from 30 to 34 years old. Each comparable has a partial basement with a recreation room, central air conditioning, and a two-car garage. The comparables have improvement assessments ranging from $15.84 to $15.90 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparable 4 submitted by the appellant and the comparables submitted by the board of review were most similar to the subject in size, age and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $12.15 to $15.90 per square foot of living area. The subject's improvement assessment of $14.63 per square foot of living area is within the range of the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
