FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Steve Tobin
DOCKET NO.: 07-01743.001-R-1
PARCEL NO.: 14-30-404-017

The parties of record before the Property Tax Appeal Board are Steve Tobin, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Peoria** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 3,120
IMPR.:	$ 10,330
TOTAL:	$ 13,450

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 672 square feet of living area. The dwelling was built in 1940. Features include a garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on three comparable properties. The appellant's comparables consist of one-story frame dwellings. They were built in 1939 or 1940. They contain 632 to 680 square feet of living area. Two have basements and garages. The comparables sold from March 2006 to April 2007 for $26,000 to $42,000 or $38.23 to $62.50 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of $13,450 was disclosed. The subject's assessment reflects an estimated market value of $40,488 or $60.25 per square foot of living area including land using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. They consist of one-story frame dwellings that were built from 1939 to 1941. The dwellings have 672 to 748 square feet of living area. All have garages, two have basements, and one has central air conditioning. The board of review's comparables sold in March or November 2006 for $42,000 to $58,500 or $62.50 to $78.21 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellant highlighted differences between the subject and the board of review's comparables. The appellant also argued that it is unfair to compare owner-occupied homes with rental properties such as the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not met this burden.

The record contains five suggested comparable sales for the Board's consideration. The appellant's comparable #2 and the board of review's comparable #3 are the same property. All of the comparables are generally similar to the subject. They sold for $26,000 to $58,500 or $38.23 to $78.21 per square foot of living area including land. The subject's estimated market value of $40,488 or $60.25 per square foot of living area including land is well within that range and is slightly lower than the sale price of the comparable both parties offered that is located two blocks from the subject on the same street. After considering the evidence the Board finds the appellant has not proven by a preponderance of the evidence that the subject is overvalued and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
