FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Dean Nerad
DOCKET NO.: 06-24169.001-R-1
PARCEL NO.: 18-06-300-010-0000

The parties of record before the Property Tax Appeal Board are Dean Nerad, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 8,976
IMPR.:	$ 70,918
TOTAL:	$ 79,894

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of frame construction containing 2950 square feet of living area. The dwelling is 18 years old. Features of the home include a partial, unfinished basement, central air conditioning, a fireplace and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as two-story or three-story stucco, masonry or frame dwellings that range in age from 1 to 15 years old. The comparable dwellings range in size from 2751 to 3602 square feet of living area. Features include full, finished basements, central air conditioning and fireplaces. The comparables have improvement assessments ranging from $16.19 to $20.09 per square foot of living area. The subject's improvement assessment is $24.04 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on four comparable properties consisting of one-story or two-story frame dwellings that range in age from 13 to 51 years old. The dwellings range in size from 1074 to 3130 square feet of living area. Features include full or partial, unfinished basements, one or two fireplaces and one-car or two-car garages. Three have central air conditioning. These properties have improvement assessments ranging from $24.25 to $25.32 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the appellant's comparables #1 and #2 differed from the subject in exterior construction and age and gave them reduced weight in the Board's analysis. The Board found the board of review's comparable #4 differed from the subject in design, age and size and gave it reduced weight, also. The remaining comparables were generally similar to the subject and had improvement assessments that ranged from $20.09 to $25.32 per square foot of living area. The subject's improvement assessment of $24.04 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
