ee. John Farano, Jr.: #08-26452-C-1 (Cook – Worth)

Commercial Appeal was filed on 8-5-09 with John Farano, Jr. listed as the Appellant/Taxpayer on the form which was signed by him. Attorney information on the appeal form was left blank although Mr. Farano was an Illinois registered attorney at the time of filing and the address listed is that of Farano & Wallace attorney's firm. Original filing was sufficient and the Cook County Board of Review was notified of the filing on 5-20-10. The BOR submitted the required Notes on Appeal and evidence. All evidence was distributed and file made "ready" on 8-26-10. A stipulation listing Worth Conversion as the Appellant was received for this docket number on 9-26-12. The stipulation was signed by the BOR and Mary Doherty as an attorney listed for the Appellant. Mary Doherty lists the address of Farano & Wallace as her address. Without a motion by any party to the appeal, on 10-18-12 an Order was issued by PTAB dismissing the above appeal. The Order states that John Farano is neither a licensed attorney nor the owner of the record and recent sale documents submitted reflect the subject was purchased by A & T Ventures, Inc. and not John Farano. Order further states that the proposed settlement is signed by Mary Doherty who is not a licensed attorney for the State of Illinois.

Motion to Reconsider and Reinstate was filed by counsel on behalf of Worth Conversion, LLC, which is apparently the owner of the property. Attorney asserts that the original attorney of record for Worth Conversion, LLC was disbarred and, subsequently, the ALJ without notice dismissed the appeal. Worth Conversion, LLC has hired the new attorney and asks that the appeal be reinstated. Attorney also explains that on 8-23-12, a stipulation of assessments by the parties was accepted by the BOR. On 10-29-12, Patrick Doherty, the new attorney, filed his appearance together with a Motion to Substitute the new attorney.

File is void of any minutes of the corporation authorizing the new attorney to represent the corporation. Record is void of the alleged 10-29-12 entry of appearance with the Motion for Substitution.

ff. Valero Energy Corporation: #10-01117-I-3 (Madison)

Intervenors, East Alton-Wood River H.S.D. #14, Hartford-Wood River S.D. #15, and Roxana C.U.S.D. #1, originally filed with PTAB on 4-7-12. A notification letter accompanied by a 90-day extension was mailed to all on 4-18-12. On 7-17-12, a second request for a 90-day extension was received from Intervenors. This request went before our Board and another extension of 90-days was granted on 8-21-12 (not a Final Extension). This extension letter states that any additional

extension may be granted at the discretion of the PTAB for good cause shown in writing. On 11-15-12, a third extension request was received from the Intervenor stating that additional time is needed to review the Appellant's evidence and to determine the most appropriate way to proceed and secure appropriate evidence. This request was followed by an objection to further Intervenor extensions from the Appellant's counsel. Counsel's objection states the Intervenor has had access to the Appellant's appraisal for almost two years and to the records of the BOR for even longer and an extension to procrastinate does not define the "good cause" requirements of Rule 1910.60(f). **The Intervenor third extension request and the Appellant counsel's objection all went to the Board at its 12-11-12 meeting. It was decided at this meeting to deny the latest extension request and default the Intervenor. All three Intervenor were defaulted for lack of evidence on 12-13-12. The Madison County Board of Review was subsequently defaulted on 1-3-13 after a Final Extension was granted and evidence was not received. File was made "Ready Hearing" on 1-3-13.**

On 1-4-13, Intervenor submitted a Motion to Reconsider Denial of Intervenor's Request of Time to File Evidence and Subsequent Default of Intervenor. Motion states the Intervenor and their counsel are unaware of the PTAB ever denying a timely filed request for additional time when the prior deadline was not designated as a FINAL evidence deadline. Motion further states the desire for PTAB to reconsider the complexity of the issues in this appeal, reinstate the Intervenor as a party of the proceedings, and to grant the requested extension as either a FINAL or NON-FINAL extension of time.

- gg. Christine Okelman: #10-31988-C-1 (Cook – Thornton)
George Lazaridis: #10-33512-C-1 (Cook – Lake)

In each of the appeals listed above, Appellant filed with PTAB on 8-17-11 and 8-18-11, respectively. Extension requests accompanied each original filing. A notification letter containing a 90-day extension was mailed to counsel listed on each appeal on 7-24-12 and 8-3-12, respectively. A response has not been received and each appeal should be dismissed for insufficient evidence. Counsel has responded to each appeal on 1-14-13 stating that there is a reoccurring issue with not receiving acknowledgment letters and extension approval letters from the PTAB. Counsel states that the PTAB website was checked and this is how the discovery was made that notification letters were sent. Counsel requests the above appeals not be dismissed and that evidence be accepted when submitted. The address on PTAB letters and the address listed for counsel are the same and any mail sent to address was not returned.

hh. Tom Fotsis: #09-32854-C-1 (Cook – Worth)

Appellant originally filed with PTAB on 10-8-10. An extension request accompanied the original filing. A notification letter containing a 90-day extension was mailed to counsel listed on the appeal on 10-14-11. A response was not been received and the appeal was dismissed for insufficient evidence on 3-12-12. Counsel requested a reinstatement of the appeal on 8-28-12 stating he did not receive an acknowledgment letter and extension approval letter from the PTAB. This request went before the Board at its 10-9-12 meeting and the request was denied. This denial was sent to the Appellant's counsel on 10-12-12. Counsel again requests a reinstatement of the appeal, received 1-14-13. Address used by PTAB is same as listed on appeal form(s) and mail was not returned. This is the same counsel as for item "gg".

In each appeal listed above, counsel filed 2010 appeals directly to PTAB from decisions issued on 4-20-12 from same office. The deadline for filing these appeals ended on a Sunday (5-20-12) making it officially the next business day, Monday (5-21-12). The above appeals were received with a "postmark" from FedEx of 5-22-12. All of the above listed appeals were dismissed by PTAB on 12-12-12. Counsel requests that each appeal be reinstated per correspondence dated 12-31-12. Request from counsel includes a receipt from FedEx with a date and time of May 21, 2012, 5:56:14 PM. Printed on the receipt from FedEx is an explanation that ground shipment(s) was received after daily pickup and actual ship date will be following business day. PTAB Rule 1910.25(b) provides that "Petitions, evidence, motions, and all other written correspondence sent to the Property Tax Appeal Board by a delivery service other than the United States Mail shall be considered as filed with the Property Tax Appeal Board on the **date sent as indicated on the tracking label.**" The actual shipping date was 5-22-12.

In each of the appeals listed above the Cook County Board of Review was defaulted for failure to submit evidence or an extension request after initial notification. Intervenors in each appeal sent in letter to adopt any evidence submitted by BOR and were subsequently defaulted also. Cook County Board of Review submitted evidence to PTAB untimely after default letters were mailed. Intervenors are requesting the PTAB to rescind the defaults issued and accept the late filings by the BOR.

In each of the appeals listed above, Cook County Board of Review has missed their filing deadline of 8-13-12 and should be defaulted. On 1-23-13, The BOR submitted Notes on Appeal and evidence for each of the above without an explanation. BOR was notified of each appeal on 5-15-12 with the extension to file evidence expiring on 8-13-12.

- ll. Elizabeth Klein: #09-32483-R-2 (Cook – N. Trier)

In each of the above listed appeals, Cook County Board of Review was defaulted for failure to submit evidence after an extension of 180-days that expired on 5-14-12. On 12-18-12, the BOR submitted Notes on Appeal and evidence for each of the above without an explanation for the delay and request that the defaults be rescinded

James T. Bradley: #09-03525-C-1 (Kankakee)

In each of the above listed appeals, Appellant filed with PTAB on 4-8-10. A hearing date was scheduled for 1-16-13. The hearing notifications were mailed to Appellant on 12-4-12 to address listed on Commercial Appeal forms. Appellant did not show at scheduled hearing. Each appeal was dismissed on 1-17-13 and mailed to same address listed on Commercial Appeal forms same day. On 1-31-13, Appellant submitted a reinstatement request asking PTAB to reschedule each appeal for hearing and affording him at least 20 days prior written notice. Finally, request states the Appellant travels between Illinois and S. Carolina every 13-20 days and mail should be sent to both addresses he has provided on this 1-31-13 correspondence.

- nn. Theodore Wynnychenko: #09-30534-R-1 (Cook – Northfield)

Appellant originally filed with PTAB on 9-29-10 and requested additional time to submit evidence. This extension was granted on 5-6-11 and expired on 8-4-11. Appellant did not submit additional evidence. A review of the file determined that evidence submitted with original filing was sufficient to move forward and the Cook County Board of Review was notified of the filing on 4-2-12. Two days later on 4-4-12, Appellant submitted a letter stating Notice of Change in Basis of Appeal. Basis was changed by Appellant from “Assessment Equity” to “Contention of Law”. Appellant asserts the evidence previously submitted by Appellant is not withdrawn but remains applicable in support of Appellant’s appeal based on a “Contention of Law”. Timely filed Notes on Appeal and evidence was received by the BOR and the file was made “Ready Hearing” on 7-19-12. On 8-16-12, Appellant submitted rebuttal evidence and a subpoena

request that was placed before the Board on 9-11-12. It was decided at this meeting to deny the subpoena request and this denial was mailed to the Appellant. It was recently discovered that Appellant also requests (8-16-12) an extension of time to submit additional evidence and states that original extension granted by PTAB (5-6-11) was not received and is needed for the Appellant to obtain evidence from the Cook County Assessor.

On 12-21-12, The PTAB issued decisions in the above referenced appeals reducing the assessment of the subject property from \$1,521,468 to \$4,918. The Intervening School District and the DeKalb County BOR subsequently filed complaints for administrative review. The intervening taxing body has filed an application for stay of the PTAB decision and payment of refund pending direct review of the appellate court. This Stay is made pursuant to Supreme Court Rule 335(g), which requires that an application for a Stay be first made to the agency.

- pp. One Earth Energy LLC: #10-00847-C-3 (Ford)

The subject property is an ethanol plant located in Gibson City, Ford County. One Earth Energy has requested a \$16,300,000 reduction in the assessed value for 2010. Taxpayer contends only a portion of the improvements at the plant should be classified, assessed, and taxed as real property. The taxpayer's evidence identifies the improvements it concedes as real property and provides no details regarding the items claimed to be personal property. This property is also the subject matter of an appeal for the 2009 tax year.

The intervening taxing district is requesting a 90-day extension of time to file evidence and has also filed a Motion to Compel Response to Discovery. Intervenor originally filed with PTAB on 9-20-12. A total of 90-days has been granted for the submission of evidence.

Intervenors contend a primary question is whether 71 or more tanks and other improvements should be taxed as real property or be treated as personal property. The Intervenor contends One Earth Energy has directed its appraiser to ignore these 71 tanks and other improvements based on a prior PTAB decision. The Intervenor has repeatedly requested the Appellant provide subsequent documentation of these 71 tanks and other improvements however One Earth Energy has not provided any details. The Intervenor also served a copy of admission of facts and genuineness of documents on the taxpayer. The Taxpayer filed an objection for requests in response.

The Intervenor, in light of the Taxpayer's refusal to voluntarily provide documents, requests that the PTAB enter an order to provide (a) Documents in response to the request for documents; (b) Directing the Taxpayer to provide a response either admitting or denying the facts stated in the request to admit; (c) Granting other relief as the PTAB deems just and equitable or (d) Enter an order barring the Taxpayer from disputing or challenging the sizes and characteristics of the improvements as listed in the request to admit.

Taxpayer filed an objection to the Motion to Compel. Taxpayer contends the PTAB rules do not provide the Intervenor the right to obtain admissions or affirmations of the genuineness of documents. The Taxpayer asserts that during the 2009 appeal the taxpayer permitted the Intervenor's appraiser and other experts to visit the subject property or such experts had an opportunity to observe the tanks about which Intervenor inquires. Furthermore, Taxpayer argues the requests seeks irrelevant and immaterial information in light of a previous tax appeal involving Ford County assessments wherein the Ford County Supervisor of Assessments concluded that process machinery and equipment were not assessed as real property prior to 1979 even if the dimensions were large or the items were bolted down. Taxpayer also asserts that it granted the Intervenor's experts, appraiser, and an engineer, access to the subject property on 3-23-12. Taxpayer contends the Intervenor's experts had ample opportunity to observe the tanks and gather information about them.

In response, the Intervenor asserts in part a tour of the facility is not a substitute for the exchange of documents required under the PTAB's rules and Intervenor asserts there are well over 100 tanks and improvements on the site for which no specifications have been provided in any form other than their total gallon capacity. Taxing District contends it would be ridiculous to expect the Intervenor's experts to actually measure each and every one when the taxpayer undoubtedly has such documents which provide the same information.
