An extension request was received beyond this date and postmarked on 7-11-13 (3-days late). The request was denied and City of Chicago was defaulted on 7-23-13. Per correspondence received 8-20-13, Intervenor has filed a Motion to Reconsider. Motion states their second extension request was filed 3-days late and the evidence Intervenor sought to file was the same valuation appraisal that had been filed in the 2009 appeal involving the subject property. Motion further states the PTAB rules concerning burden of proof make clear Intervenor may participate in PTAB proceedings without having filed documentary evidence by placing, at least initially, the burden of proof at final hearing on the appellant, over an Intervenor's objections and subject to an Intervenor's cross-exam, regardless of whether the Intervenor has submitted valuation, or documentary, evidence.

ppp. Attack Properties: #09-33096-C-3 (Cook – West Chicago)

Intervenor, City of Chicago, originally filed with PTAB on 5-7-12. A total of 150-days had been granted for the submission of evidence with the latest being a Final Extension expiring on 11-11-12. Evidence and/or an extension request was not received beyond this date and the Intervenor was defaulted on 2-4-13. File was made "Ready Hearing" on same date. City of Chicago submitted another extension request on 5-24-13 (after default date) to possibly adopt the Cook County Board of Review's evidence. On 7-24-13, Intervenor submitted correspondence to the PTAB requesting the Board reconsider the default issued on 2-4-13 and allow the City of Chicago to adopt the BOR's evidence.

qqq. First Midwest Bank: #11-21546-C-2 (Cook – Bremen)

Taxing Body, Tinley Park C.C.S.D. #146, mailed a Request to Intervene without a required Resolution to the PTAB on 8-12-13. This date was the deadline for filing a request and the Request to Intervene was denied. Resolution was mailed to the PTAB on 8-19-13.

rrr. George Mikroulis: #10-29220-C-2 (Cook – Proviso)

Alfa Laval Inc.: #10-29455-I-2 (Cook – Leyden)

Mervyn Dukatt: #10-29830-C-2 (Cook – Leyden)

In each of the appeals listed above, Intervenor, Veterans Park District, originally filed with PTAB on 1-28-13. A total of 90-days was granted for the submission of evidence. Intervenor was defaulted on 7-30-13 for failure to submit evidence and/or an additional extension request. Per correspondence received electronically on 7-30-13, Intervenor is requesting a Motion to Vacate Default and for an Extension of Time for the Filing of Evidence. Motion cites a clerical error in the misfiling of correspondence as to the tardiness of a response.

sss. Armstrong World Industries: #07-01110-I-3 (Kankakee)

Armstrong World Industries: #08-03741-I-3 (Kankakee)

Armstrong World Industries: #09-04575-I-3 (Kankakee)

Armstrong World Industries: #10-00979-I-3 (Kankakee)

Taxing districts, City of Kankakee and Bradley S.D. #61, filed in each of the above docket numbers a Request for Stay Pending Circuit Court Action. The basis for the stay is that the City of Kankakee, through corporate counsel, filed a verified Complaint in Circuit Court in Kankakee County declaring appellant Armstrong in breach of a Redevelopment Agreement entered into in September 1995. It was asserted that, “Within the Redevelopment Agreement, the City and Armstrong agreed in good faith that following the completion of a project partially funded by the City, the assessed value of the Subject Property would be \$2,800,000.” Counsel for the taxing districts stated in pertinent part:

The City understands that the PTAB role in this case is limited to determining the Subject Property’s fair cash value based on the evidence in the record, and that the PTAB does not regard the parties’ good faith estimate of value in the Redevelopment Agreement as evidence of fair cash value.

However, in light of the pending circuit action, the meritorious claims raised, the history of this case and the difficulty that can arise from two tribunals exercising jurisdiction over and rendering decisions on substantially similar subject matter,

the taxing districts contend it would be reasonable and efficient to stay the PTAB cases pending the outcome of the circuit court case. Therefore, the taxing districts request that PTAB stay proceedings in the 2007 through 2010 appeals until 90 days after final resolution of the Circuit Court action.

As an additional background, a 2006 appeal of the property identified by Docket No. 06-01787-I-3 was decided after hearing in December 2010. The decision reduced the subject's total assessment to \$1,326,000. In the 2006 appeal, the intervening taxing districts, City of Kankakee and Bradley Elementary S.D. #61, were found in default prior to hearing for not timely filing their evidence; the taxing districts' request to vacate the default was denied by the Board in the April 2009 meeting. The PTAB's decision for the 2006 tax year was affirmed on Administrative Review, Kankakee County Board of Review v. PTAB, 2012 IL App (3d) 110095 (2012).

Please also note that for each pending appeal in years 2007, 2008, 2009 and 2010, the parties of record have each waived their request for hearing and authorized the issuance of a decision on the merits based on the written record of testimony for the 2006 case.
