FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Oliver Taylor
DOCKET NO.: 06-28767.001-R-1
PARCEL NO.: 20-24-315-003-0000

The parties of record before the Property Tax Appeal Board are Oliver Taylor, the appellant, by attorney Michael Griffin of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 8,308
IMPR.:	$ 43,742
TOTAL:	$ 52,050

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of masonry construction containing 2,550 square feet of living area. The dwelling is 90 years old. Features of the home include a full, unfinished basement and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as two-story masonry dwellings that are between 85 and 100 years old. The comparable dwellings range in size from 2,496 to 2,776 square feet of living area. The comparables have a full basement, one of which is finished, three have a fireplace and two have a two-car garage. The comparables have improvement assessments ranging from $15.46 to $16.33 per square foot of living area. The subject's improvement assessment is $17.15 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story masonry dwellings that are between 80 and 95 years old. The

dwellings range in size from 2,512 to 2,925 square feet of living area. Each of the comparables has a full, unfinished basement, three have one or two fireplaces and each has a two-car garage. These properties have improvement assessments ranging from $17.28 to $20.45 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the board of review's comparable two differs from the subject in size and received reduced weight in the Board's analysis. The appellant's comparables and the board of review's remaining comparables were similar to the subject in design, exterior construction, age, size and foundation. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments ranging from $15.46 to $20.45 per square foot. The subject's improvement assessment of $17.15 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
