FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Susan Coleman
DOCKET NO.: 07-28727.001-R-1
PARCEL NO.: 18-19-103-024-0000

The parties of record before the Property Tax Appeal Board are Susan Coleman, the appellant(s), by attorney John P. Fitzgerald, of John P. Fitzgerald, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 23,084
IMPR.:	$ 59,393
TOTAL:	$ 82,477

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 28,855 square foot parcel of land improved with a one and one-half story, single-family dwelling of frame and masonry construction containing 3,597 square feet of living area. Features of the home include three bathrooms and air conditioning.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four suggested single-family comparable properties described as one-story frame or masonry dwellings that range in age from 18 to 49 years old. The comparable dwellings range in size from 2,469 to 4,988 square feet of living area. The comparables have three to five and one half-baths, and three properties have one or two fireplaces. The comparables have improvement assessments ranging from $6.83 to $13.63 per square foot of living area. The subject's improvement assessment is $16.51 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of $82,477 was disclosed. The board of review presented descriptions and assessment information on four suggested comparable properties consisting of one-story or one and one-half story frame, masonry, or frame and masonry dwellings that range in age from 19 to 23 years old. The dwellings range in size from 2,953 to 4,346 square feet of living area. All comparables have a full unfinished basement, air conditioning, one or two fireplaces, and a two-car to three-car garage. These properties have improvement assessments ranging from $16.60 to $18.79 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparables #2, #3, and #4 submitted by the board of review were most similar to the subject in style, features and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $16.60 to $16.88 per square foot of living area. The subject's improvement assessment of $16.51 per square foot of living area is below the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
