FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Gilles De Navacelle
DOCKET NO.: 07-30268.001-R-1
PARCEL NO.: 14-33-412-046-0000

The parties of record before the Property Tax Appeal Board are Gilles De Navacelle, the appellant, by attorney Lisa A. Marino, of Marino & Assoc., PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 18,539
IMPR.:	$ 75,745
TOTAL:	$ 94,284

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 1,769 square foot parcel of land improved with a three-story, single-family dwelling of masonry construction containing 3,004 square feet of living area. The dwelling is 31 years old. Features of the home include air conditioning and a one-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as single-family masonry dwellings that ranges in age from 34 to 38 years old. The comparable dwellings range in size from 1,674 to 2,564 square feet of living area. Features include a fireplace and a full unfinished basement for one property and air conditioning for two properties. The comparables have improvement assessments ranging from $21.85 to $22.98 per square foot of living area. The subject's improvement assessment is $25.21 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of $94,284 was disclosed. The subject's improvement assessment is $75,745 or $25.21 per square foot of living area. The board of review presented descriptions and assessment information on three

comparable properties consisting of three-story, masonry single family dwellings that range in age from 28 to 31 years old. The dwellings range in size from 3,004 to 3,157 square feet of living area. Features include air conditioning, a one-car or a two-car garage and a fireplace for one property. The properties have improvement assessments that range from $25.25 to $27.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review are most similar to the subject in location, style, size, exterior construction, features and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $25.25 to $27.00 per square foot of living area. The subject's improvement assessment of $25.21 per square foot of living area is below the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
