FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Phyllis Harman
DOCKET NO.: 07-20227.001-R-1
PARCEL NO.: 15-12-301-005-0000

The parties of record before the Property Tax Appeal Board are Phyllis Harman, the appellant(s), by attorney Rusty A. Payton, of Law Offices of Rusty A. Payton, P.C. of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 7,896
IMPR.:	$ 43,743
TOTAL:	$ 51,639

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of masonry construction containing 2208 square feet of living area. The dwelling is 82 years old. Features of the home include a full, unfinished basement, a fireplace and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted basic assessment information on seven properties but provided sufficiently detailed property characteristic information on only four comparable properties. They were described as two-story frame dwellings that range in age from 86 to 101 years old. The comparable dwellings range in size from 2252 to 2696 square feet of living area. Features include full, unfinished basements. Three have central air conditioning, and two have fireplaces. The appellant did not include the size of any garages the comparables may have. The comparables have improvement assessments ranging from $12.72 to $15.09 per square foot of living area. The subject's improvement assessment is $19.81 per

square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story frame or frame and masonry dwellings that range in age from 77 to 118 years old. The dwellings range in size from 2181 to 2624 square feet of living area. Features include full, unfinished basements. Two have central air conditioning, two have fireplaces, and two have two-car garages. These properties have improvement assessments ranging from $19.53 to $21.58 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the parties were of different exterior construction than the subject. The Board finds that the comparables offered by the parties had improvement assessments that ranged from $12.72 to $21.58 per square foot of living area. The subject's improvement assessment of $19.81 per square foot of living area is within the range established by the comparables. The Board finds the evidence does not demonstrate with clear and convincing evidence that the subject improvements are inequitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
