FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Anne Derrig
DOCKET NO.: 07-20402.001-R-1
PARCEL NO.: 11-31-405-006-0000

The parties of record before the Property Tax Appeal Board are Anne Derrig, the appellant(s), by attorney John P. Fitzgerald, of John P. Fitzgerald, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$9,338
IMPR.:	$48,971
TOTAL:	$58,309

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 4,125 square foot parcel of land improved with a 74-year old, three-story, masonry constructed, multi-family dwelling containing 5,046 square feet of living area. Features of the subject include three apartment units, three baths, and a full unfinished basement. The appellant argued unequal treatment in the assessment process.

In support of this equity argument, the appellant submitted assessment data for three properties located within seven blocks of the subject property. These properties are described as two or three-story, masonry, multi-family dwellings with between two and four baths. The properties range in size from 2,972 to 4,928 square feet of living area. The properties have improvement assessments that range from $6.44 to $8.82 per square foot of living area. The subject's improvement assessment is $9.70 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of $58,309 was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information for four

properties located within the subject's neighborhood. These properties are described as three-story, masonry, multi-family dwellings with between three and four baths, full unfinished basements, and between one and one-half to two and one-half-car garages. The properties range: in age from 82 to 89 years; in size from 4,332 to 4,778 square feet of living area; and have improvement assessments from $9.99 to $11.74 per square foot of living area. In addition, the board of review submitted sales data for comparable #1 which sold in July 2005 for $575,000 or $132.73 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellants contend unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

The Board finds comparable #1 submitted by the appellant and the board of review's comparables most similar to the subject in size, style, exterior construction, age, and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $6.44 to $11.74 per square foot of living area. The subject's improvement assessment of $9.70 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
