FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Chandra Muthiah
DOCKET NO.: 09-02000.001-R-1
PARCEL NO.: 10-13-313-004

The parties of record before the Property Tax Appeal Board are Chandra Muthiah, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$48,775
IMPR.:	$129,971
TOTAL:	$178,746

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of an owner-occupied residential property located in Mundelein, Fremont Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this claim, the appellant submitted an appraisal report in which a market value of $460,000 was estimated for the subject property as of September 19, 2009. Based on this evidence the appellant requested the subject's assessment be reduced to $153,333.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of $178,746 was disclosed. The board of review's evidence disclosed the subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 08-00804.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to $178,746 based on the

evidence submitted by the parties. The board of review stated it had reduced the subject's 2009 assessment to $175,746 pursuant to section 16-185 of the Property Tax Code and further stated Fremont Township had a 2009 township equalization factor of 1.0. Based on this evidence, the board of review requested confirmation of the assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

> If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2008 assessment. The record further indicates that the subject property is an owner occupied dwelling. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. The Board finds the subject's final assessment for the 2009 assessment year, as calculated by the board of review, follows the directives outline in section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). Therefore, the Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
