FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Gayle Liskunas
DOCKET NO.: 12-21401.001-R-1
PARCEL NO.: 28-19-309-031-0000

The parties of record before the Property Tax Appeal Board are Gayle Liskunas, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 1,776
IMPR.:	$ 9,464
TOTAL:	$ 11,240

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome. It is 40 years old and it is situated on a 1,920 square foot site. Features of the townhome include a partial basement, central air conditioning, and a one-car garage. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and assessment inequity as the bases of the appeal. In support of the overvaluation argument, the appellant submitted an appraisal estimating the

subject property had a market value of $116,000 as of August 25, 2012. The appraisal indicates the subject contains 1,441 square feet of living area.

The appellant also submitted three suggested assessment comparables. These comparables range in size from 1,377 to 1,621 square feet of living area and have improvement assessments that range from $9.03 to $10.09 per square foot of living area. Appellant’s comparable #3 sold on July 17, 2012 for $140,000, or $101.67 per square foot, including land,

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $16,820. The board of review’s grid sheet lists the subject’s living square footage as 1,621 square feet. The subject's assessment reflects a market value of $173,581 when applying the 2012 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The board also submitted the same appraisal as was submitted by the appellant.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property contains 1,441 square feet of living area and had a market value of $116,000 as of the assessment date at issue. Since market value has been established the 2012 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.69% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
