FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Robert Bates
DOCKET NO.: 07-21491.001-R-1
PARCEL NO.: 05-07-400-010-0000

The parties of record before the Property Tax Appeal Board are Robert Bates, the appellant, by attorney Liat R. Meisler, of Golan & Christie LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 28,548
IMPR.:	$ 97,960
TOTAL:	$ 126,508

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 11,895 square foot parcel of land improved with a two-story dwelling of frame construction containing 3,658 square feet of living area. Features of the home include two and one half-baths, three fireplaces, and a one and one-half car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted description and assessment information on four comparable properties described as two-story, frame, frame and masonry or stucco dwellings that range in age from 66 to 95 years old. The comparable dwellings range in size from 2,212 to 3,872 square feet of living area. The comparables have two to one half-baths to four and one half-baths, three properties have air conditioning, and a one-car to three-car garage. The comparables have improvement assessments ranging from $12.41 to $24.51 per square foot of living area. The subject's improvement assessment is $26.78 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of $126,508 was disclosed. The board of review presented description and assessment information on four comparable properties consisting of two-story, frame dwellings that range in age: from 80 to 97 years old; in size from 2,747 to 3,893 square feet of living area; in baths from two and one half-baths to four and one half-baths; and in assessments from $27.84 to $29.88 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparable #2 and #3 submitted by the appellant and comparables #1, #2, and #3 submitted by the board of review were most similar to the subject in age, style, exterior construction, and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $15.41 to $29.88 per square foot of living area. The subject's improvement assessment of $26.78 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
