FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jakub Wunderlich
DOCKET NO.: 07-21830.001-R-1
PARCEL NO.: 10-24-315-043-0000

The parties of record before the Property Tax Appeal Board are Jakub Wunderlich, the appellant(s), by attorney Julie Realmuto, of McCarthy Duffy of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 6,730
IMPR.:	$ 22,165
TOTAL:	$ 28,895

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of masonry construction containing 956 square feet of living area. The dwelling is 55 years old. Features of the home include a partial, unfinished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted basic assessment information on six properties but provided sufficiently detailed property characteristics information on only four comparable properties. They were described as one-story frame and masonry dwellings that range in age from 53 to 58 years old. The comparable dwellings have 994 or 999 square feet of living area. One has a partial basement and central air conditioning. The comparables have improvement assessments ranging from $19.18 to $20.86 per square foot of living area. The subject's improvement assessment is $23.19 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on four comparable properties consisting of one-story masonry dwellings that range in age from 52 to 59 years old. The dwellings have 864 or 965 square feet of living area. Features include full or partial basements, one of which is finished. These properties have improvement assessments ranging from $23.13 to $25.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the appellant's comparables should be given reduced weight in the Board's analysis because they were of a different exterior construction than the subject. The Board finds the comparables submitted by the board of review were similar to the subject in nearly every property characteristic. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $23.13 to $25.14 per square foot of living area. The subject's improvement assessment of $23.19 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
