FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Tom Lanctot
DOCKET NO.: 07-23514.001-R-1
PARCEL NO.: 05-18-401-008-0000

The parties of record before the Property Tax Appeal Board are Tom Lanctot, the appellant(s), by attorney James E. Doherty, of Thomas M. Tully & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 87,475
IMPR.:	$ 72,696
TOTAL:	$ 160,171

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 49,702 square foot parcel of land improved with an 85-year old, two-story, frame, single-family dwelling containing 2,796 square feet of living area, three and one-half baths, three fireplaces, and a partial, finished basement. The appellant argued, via counsel, unequal treatment in the assessment process as the basis of the appeal.

In support of the equity argument, the appellant, via counsel, submitted information on a total of five properties suggested as comparable. The properties are described as two-story, frame, masonry or frame and masonry, single-family dwellings. Features include between one and one-half and three and one-half baths, one or two fireplaces, air conditioning for two properties, and a partial basement with one finished. The properties range: in age from 77 to 85 years; in size from 2,502 to 3,665 square feet of living area; and have improvement assessments from $22.51 to $26.73 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of $85,110 or $30.44 per square foot of living area was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties suggested as comparable. The properties are described as two-story, masonry or frame and masonry, single-family dwellings. Features include between three and two-half and six and two-half baths, air conditioning, three or four fireplaces, and full basements with one finished. The properties range: in age from 4 to 50 years; in size from 5,626 to 6,419 square feet of living area; and in improvement assessments from $27.92 to $39.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has met this burden.

The parties presented a total of nine properties suggested as comparable. The PTAB finds the appellant's comparables most similar to the subject in size, design, and age. The properties range: in age from 77 to 85 years; in size from 2,502 to 3,665 square feet of living area; and have improvement assessments from $22.51 to $26.73 per square foot of living area. In comparison, the subject's improvement assessment of $30.44 per square foot of living area is above the range of these comparables. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is not supported and a reduction in the improvement assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
