4. **Executive Director’s Report**

Mr. Glorioso and the Board Members congratulated Mr. Freeman for his reappointment to the PTAB Board. Mr. Freeman was acknowledged for his continued service on the board. His value to the Board has been recognized as this is his fourth consecutive 6-year appointment. He has been on the Board continuously since 2003 and with his current appointment will continue until 2025. Welcome again Mr. Freeman. Mr. Freeman thanked the Board and stated he is grateful for the reappointment.

Mr. Glorioso and the Board thanked Steve Waggoner for his excellent work and dedication to PTAB and for assuming the role of PTAB’s Acting Executive Director since January 2018. Mr. Glorioso pointed out Steve’s value to the agency as he has been Acting Executive Director several times during his tenure with the PTAB dating back to 1987. He handled this position with great competence while still maintaining his regular position as Chief Administrative Law Judge. Considering the latest fiscal year one of the most challenging years for the PTAB we have come to appreciate Mr. Waggoner even more. Thanks again to Mr. Waggoner.

The Board congratulated Mr. Glorioso on his appointment to Executive Director and General Counsel of the Property Tax Appeal Board. Mr. Glorioso was most recently the Chairman of the Board for the PTAB. In that capacity he implemented a number of initiatives to help the agency become more efficient, especially in the area of electronic transfer and dissemination of documents between parties. During his leadership the agency closed a record number of cases and saved the Administration substantial money from PTAB’s budget. Mr. Glorioso thanked the Board, and, in particular, the staff for their hard work and for their part in moving the Agency forward. Mr. Glorioso has worked in most
positions at PTAB, from Administrative Law Judge, to Board Member, to Chairman of the Board, and now Executive Director and General Counsel. Mr. Glorioso stated he looks forward to his new role and to continuing to move the Agency forward. The Board thanked Mr. Glorioso for his continued service and commitment to PTAB and to the taxpayers of Illinois.

The Board presented Certificates of Appreciation to Mr. Glorioso and Steve Waggoner.

Mr. Glorioso turned the meeting over to David Suarez-to present an update on current IT activities and projects. Mr. Suarez stated he and David Egan have made changes to the systems based on the new rule changes. This included updating the website, letters, forms, letterhead and report templates, and the automated phone answering system and messages.

Mr. Glorioso and the Board thanked Mr. Suarez for his report.

Fiscal and Human Resource Manager JJ Moffatt was originally scheduled to give his report; however, it was deferred until the next Board meeting. JJ attempted to provide his report but was conflicted time-wise by the seminar he was attending at the same time and could not stay on the phone.

Mr. Glorioso, along with Steve Waggoner, Dave Suarez and James Moffat prepared for the Senate Appropriations Hearing. That hearing took place as scheduled on March 27, 2019. The committee members highlighted the PTAB backlog and inquired as to ways to reduce cases that have been pending. Mr. Glorioso similarly referenced the hearing with the House Appropriations Committee earlier in March. After that meeting he was requested to speak with several legislators. They each requested substantive answers to why each year we continue to have such an on-going large backlog of cases. In particular we were specifically reminded of our on-going on-line filing initiative that we first presented several years ago. They urged us to make every effort to make this happen as soon as possible.

Mr. Glorioso reported PTAB has been in contact with the State Auditors and they have begun their audit which is done once every two years. The auditors have addressed their concerns to both Mr. Glorioso and Mr. Waggoner in a letter which was responded to. We again anticipate another finding of lack of timeliness in issuing decisions. Mr. Glorioso conducted a phone interview with one of the auditors and responded to a series of questions regarding our operations.
Mr. Glorioso reported the Board Members and staff have submitted/filed their Statements of Economic Interest and Supplemental Statements of Interest. We are current with filing requirements.

Mr. Glorioso reported David Suarez and David Egan have begun discussions and meetings with Lake County Board of Review and will begin the orderly electronic transfer of documentary evidence. The discussions are on-going, and we should have the systems in place shortly that would mirror the Cook County System. Mr. Glorioso further informed the Board that Marty Paulson, long-time Chief Assessment Officer for Lake County will be retiring in May.

Mr. Glorioso reported on January 15, 2019 Governor Pritzker issued Executive Order 2019-01 designed to strengthen the State’s commitment to effective and transparent government compliance with laws. General Counsel Ann Spillane circulated the order among agencies with a mandate that each agency comply within 60 days. Mr. Glorioso distributed copies of the Executive Order and PTAB’s timely response to the General Counsel. Mr. Glorioso highlighted parts of the report which encompass all the publications and reports we must provide each year and requested the Board members review said items.

Mr. Glorioso reported on staffing. He reported Lisa Holladay was recently hired as a scanner. He further reported Steve Waggoner and Mike Bullock have prepared job descriptions for the position of Appraisal Specialist 1, an entry-level position for non-attorney hearing officers. Mr. Glorioso reported two positions will be available shortly which would assist us in our number of cases closed. Mr. Glorioso reported on the 75-day workers: Brenda Cawley starts April 16th. Barry Wood, another 75-day worker, started in March and Rich Kinner’s term ends May 3rd, and Greg Costa is a 75-day worker at the Des Plaines Office.

Mr. Glorioso reported we closed a total of 1,966 cases for the month for a total of 23,038 cases for the first 9 months of the fiscal year. Continuing at this pace would translate into 30,717 cases for the entire fiscal year. Closing over 30,000 cases with limited staff and budget in light of a number of other concerns that arose last year was a very good effort.

Mr. Glorioso reported he has been receiving reports from practitioners in the field of tax assessment work, notably the State and Local Tax and Real Estate Section Councils of the Illinois State Bar Association that there will be dramatic increases in assessments in a number of townships in Cook County. This was also mentioned at the outreach programs designed for citizens and sponsored by state representatives attended by Mr. Glorioso. It
was reported that the new assessor is making large assessment increases on a number of properties. Once taxpayers appeal to the CCBOR and get their results we can expect the traditional 10% of those cases coming our way. Naturally, this will increase our case load. Mr. Glorioso distributed copies of an article published in the Chicago Tribune highlighting the new increased assessments. Mr. Glorioso further reported on a possible reassessment change which could affect golf courses and open space. These properties have been transferred to the rolls of letter properties in Cook County. Steve Waggoner wrote several decisions on golf courses where the main issue was what constituted “open space.” It appeared that in one particular case Mr. Waggoner had to write a decision three times as the Appellate Court kept remanding it back to the PTAB based upon different interpretations of the “open space” argument. Hopefully the new handling of these properties will alleviate some of the past concerns.

Mr. Glorioso again thanked the staff for their hard work and diligence in representing taxpayers to ensure that their assessments are fair and equitable.

Mr. Glorioso reported the next PTAB meeting is scheduled for 10:00 A.M. Tuesday, May 14, 2019, in the PTAB offices in Springfield and Des Plaines.

Mr. Bilotta moved to accept the Executive Director’s Report. Mr. Freeman seconded the Motion and it carried 4-0.
