FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Robert Kinsloe
DOCKET NO.: 07-24198.001-R-1
PARCEL NO.: 14-18-423-043-0000

The parties of record before the Property Tax Appeal Board are Robert Kinsloe, the appellant, by attorney Michael Griffin in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$10,394
IMPR.:	$46,516
TOTAL:	$56,910

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 3-story multi-family dwelling of masonry construction containing 4,171 square feet of living area in three apartments. The dwelling is 95 years old. Features of the building include a partial, unfinished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as 2 or 3-story masonry dwellings that range in age from 95 to 99 years old. The comparable dwellings range in size from 3,694 to 4,650 square feet of living area and contain 4 to 5 apartments. One comparable has central air conditioning, and two have 1 or 2-car garages. The appellant did not include any data concerning basements for the comparables. The comparables have improvement assessments ranging from $9.53 to $10.19 per square foot of living area. The subject's improvement assessment is $11.15 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of 2 or 3-

story masonry dwellings that range in age from 82 to 110 years old. The dwellings range in size from 3,512 to 5,745 square feet of living area in 3 or 5 apartments. All of the comparables have partial, unfinished basements. One has central air conditioning and one has a 2-car garage. The board of review also revealed that comparable #1 sold in February 2005 for $900,000. These properties have improvement assessments ranging from $11.40 to $13.68 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparables # 3 and #4 submitted by the board of review were most similar to the subject in number of apartments, size, style, and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $11.40 to $12.95 per square foot of living area. The subject's improvement assessment of $11.15 per square foot of living area is below the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
