By letter from Edward T. Broy, a non-attorney, dated April 10, 2019, postmarked April 11, 2019 and received by the PTAB on April 16, 2019, a request was made for additional time to resolve appeals on three PINs, including the subject PIN. No appeal forms, BOR decisions or evidence was filed at this time. The PTAB treated this as a "Pending Appeal" and by letter dated April 18, 2019, sent to the appellant, in C/O Edward T. Broy, appeal forms with instructions to return the forms within 30-days. The appeal forms were returned to the PTAB in an envelope postmarked May 16, 2019 and received on May 20, 2019.

On October 10, 2019, the appeal was returned as incomplete as the appellant failed to provide a copy of the BOR decision, did not check the basis of the appeal, did not provide a description of the property, did not complete the sale/assessment grid on the appeal form and did not provide a photograph of the property. The appellant was granted a 30-day extension with a due date of November 9, 2019 to return the completed appeal. On November 9, 2019, the PTAB received a copy of the BOR decision and the evidence in response to the incomplete checklist. Upon further review of the appeal it was discovered that the original filing was 1 day late. The Board of Review Final decision was dated March 11, 2019, the postmark on the appeal was dated April 11, 2019 (1 day late).

On February 6, 2020, the appeal was dismissed for lack of jurisdiction. On March 13, 2020, appellant, Michele Sirena, asserted the appeal was mailed on the correct day and requested the appeal and petition forms be reinstated.

Joint Motion to Stay filed by all parties:

The Appellant, Will County Board of Review and Intervenor Channahon S.D. #17, request a temporary stay on the filing deadline for this appeal. This case involves an appeal of a specialized industrial plant in Will County for 2018. The property's assessment for 2018 was set at \$5,032,725. The appellant has requested a reduction of the 2018 assessment to \$3,333,000 AV. The intervenors received a 60-day extension to submit evidence due on April 1, 2020 (which was extended 60-days due to the COVID Pandemic). All parties agree that the matter will be decided on the issue of real versus personal property. All parties agree that the records of Will County from 1979 will be dispositive of the value determination and hence, the assessment. However, the 1979 assessment records are currently in the custody of a contractor who is in the process of digitizing said records and the records are not yet available to the County.

The Will County Treasurer sent all their records, including the 1979 tax filings, to a company that was contracted to digitize the records, however, the company has

yet to complete its assignment or return the original records despite the repeated requests of County Officials and Mr. Trowbridge, on behalf of the Will County Board of Review. Mr. Trowbridge's position is that upon receipt of the records, he will access the 1979 filing and contact the parties to resolve this matter. Until he receives those records, Mr. Trowbridge believes it highly improbable to establish a real/personal property determination that would be acceptable to both parties.

All parties involved request that all timelines be stayed in this matter until the records are back in the custody of the County. Mr. Trowbridge, through the auspices of the Will County Board of Review and the Will County Treasurer, will inform the PTAB the date the County re-acquires custody of the documents. Mr. Trowbridge has agreed to make himself available to all parties, including the PTAB, to receive updates as well as the status of the digitizing contract. Upon the County receiving either the hard or digitized copies of the 1979 filings the PTAB would reestablish their customary deadlines.

Petitions to Revive Judgment:

Taxpayers' attorney request the decisions be revived because the Cook County Treasurer's Office failed to issue refunds in these matters. In each of the above referenced appeals the PTAB issued decisions reducing the assessments. As of this date the taxpayers have not received the refunds based on the PTAB decisions. The taxpayers request the PTAB issue orders reviving the judgement in each appeal so that the Cook County Treasurer's Office will issue a refund of the resulting overpayments.

In each appeal, Ram Natarajan of Natarajan Worstell LLC, has submitted copies of the Engagement Agreement between the appellant and Natarajan Worstell LLC; a letter to prior counsel from appellant ending representation in the appeal; a letter from the appellant to PTAB informing the Board that they have hired Kensington Research & Recovery, Inc. as agent and granted it and their counsel authority to recover any overpayments of taxes that may be owed and recognize Kensington's counsel Natarajan Worstell LLC as the agent to revive any judgements previously issued.
