FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Elena Parkhomov
DOCKET NO.: 07-27968.001-R-1
PARCEL NO.: 03-03-307-025-0000

The parties of record before the Property Tax Appeal Board are Elena Parkhomov, the appellant, by attorney Julie Realmuto of McCarthy Duffy of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 6,240
IMPR.:	$ 24,957
TOTAL:	$ 31,197

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 1,820 square feet of living area. The dwelling is 46 years old. Features of the home include a crawl-space foundation, central air conditioning, and a fireplace.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as one-story frame, masonry, or frame and masonry dwellings that range in age from 43 to 52 years old. The comparable dwellings range in size from 1,936 to 2,082 square feet of living area. Each of the comparables has a fireplace; two have a basement; and one has central air conditioning. The appellant did not include any data concerning garages for the comparables. The comparables have improvement assessments ranging from $4.43 to $6.61 per square foot of living area. The subject's improvement assessment is $13.71 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on four comparable properties consisting of one-story frame dwellings that range in age from 44 to 47 years old. The dwellings range in size from 1,849 to 2,028 square feet of living area. Each comparable has a garage, and one has a fireplace. Three have partial, unfinished basement, and one has a crawl-space foundation. These properties have improvement assessments ranging from $14.25 to $14.83 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables numbered three and four by the appellant and the comparable numbered two by the board of review were the most similar to the subject in exterior construction and foundation, and they were also similar in age, style, and size. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $5.69 to $14.33 per square foot of living area. The subject's improvement assessment of $13.71 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
