granted a 60-day extension to submit evidence with a due date of March 7, 2022. By envelope postmarked March 4, 2022, the appellant requested another 60-day extension of time to file supporting documentation in this matter due to complications in obtaining data.

b Shawnee Senior Living LLC (SC Herrin Property LLC): #20-08662-C-3 (Williamson)

Motion for Extension of time to Submit Evidence.

The subject property is a 159-bed skilled nursing facility improved with a one-story building constructed in 1971 with 45,600 square feet of above-grade space. The subject property has approximately 6.2 acres or 270,000 square feet of land. The appellant submitted an appraisal estimating the subject property had a market value of \$2,050,000 as of January 1st, 2020.

- The Williamson County Board of Review (Williamson County) was notified of the appeal on August 12th, 2021, and was granted a 90-day extension to submit evidence with a due date of November 11th, 2021.
- The November 11th, 2021, the due date was extended, at the request of Williamson County, for an additional 90 days, with a revised due date of December 15th, 2021.
- Williams County again asked for and was granted another extension. A FINAL 90-day extension was granted with the final due date of March 15th, 2022.
- **Current Request** - By letter postmarked March 15th, 2022, Williamson County requested an additional extension of time to submit evidence.

According to its motion, Williamson County engaged an appraiser (Tri-State Appraisal) to appraise the property under appeal. The appraiser made his interior inspection of the facility as negotiated in November 2021. However, Mr. Skidelsky, the appellant's counsel, never followed through with the requested financial information – which is necessary for an accurate appeal. Williamson County asserts that it has continuously attempted to contact Mr. Skidelsky by email and phone.

Williamson County also enclosed a letter from Tri-State Appraisal documenting the status of the appraisal. The appraiser explained that he researched market activity and determined there is insufficient sales comparable data. The appraiser contends that these facilities are purchased for the income they generate. Without the requested income and expenses, any appraisal for the subject property would be very speculative based on the available sales data. He concludes that without financials from the facility, an appraisal would not be able to be completed with any degree of accuracy.

Williamson County also provided a copy of emails sent and a log of phone calls and voicemails left in all available voice mailboxes at the Skidelsky Law Firm. In a November 1st, 2021, email from Williamson County to the appellant's attorney, the County stated, "[t]he appraiser (sic) [email address and phone number] for the income information needed

and is looking at November 15th, 2021 for the appointment to physical (sic) inspect the property.”

The appellant filed an Objection to the Williamson County Board of Review's Request for an Extension of Time to File evidence. The appellant argued that on December 15th, 2021, the PTAB granted the board of review a Final 90-day extension that expired on March 15th, 2022. The appellant contends that Williamson County has been granted 215 days to file evidence in this appeal. The appellant's attorney also argues he worked with the County to allow inspection of the property. Still, Williamson County did not request an inspection until November 1st, 2021, which did not occur until December 14th, 2021. Counsel argued that the BOR has not defined what "financial information" the appraiser requires and asserted that those could have been obtained from other available sources if the BOR is referring to the subject property's financial statements.

While the appellant's facts are correct, they do not paint the entire picture. In response to the November 1st email from Williamson County, the appellant's attorney responded as follows:

- November 2nd – Skidelsky (appellant's attorney) to Williamson County: "I am working on it and will be in touch soon. I just sent an email to my client asking whether November 15th works. Do you know what time is convenient for your appraiser?"
 - Williamson County responded later that day: "The appraiser said 10.00am (sic) would work well for him on November 15th."
- November 5th – Skidelsky to Williamson County: **My client** is overseas, which is **slowing things**. I should have an answer by Monday.”
- November 12th – Skidelsky to Williamson County: “I don't have a response yet from my client. Let's re-group early next week. We will get your appraiser into the facility. Please DO NOT send your appraiser to the facility (on Monday, November 15th) until I have had a chance to clear it with the operator (my client).”

In another email dated March 7th, 2022, Williamson County again requested the "financial data" the appraiser needed to complete the appraisal. The email indicates, and the County's motion states, that several calls were made from Williamson County to Skidelsky. Williamson County included the following chart, which is a call log to Skidelsky's office.

Motion to Vacate Dismissals and Reinstate

Appellants in the above matters filed, through counsel, an envelope postmarked December 17, 2021, from Lake County Board of Review decisions mailed on November 16, 2021. On February 17, 2022, the appellants' appeals were dismissed due to being untimely filed (one day late) from the Lake County final decisions dated Tuesday, November 16, 2021. The PTAB filing deadline date was Thursday, December 16, 2021. On February 28, 2022, the appellants submitted a Motion to Vacate Dismissals and Reinstate.

Appellants, through their attorneys, request that the Property Tax Appeal Board grant the Appellants' Motion to Vacate Dismissals and to Reinstate, contending in part:

- A. These (11) appeals were part of Lake County Board of Review's townships, which included Grant, Libertyville, Moraine, Shields, Vernon, Waukegan, West Deerfield, and the "Decision Date" for Lake County appeals was December 16, 2021 (sic). The BOR decisions are dated (November 16, 2021).
- B. On December 17, 2021, appellants' counsel mailed, via USPS certified mail (Tracking#7020 3160 0001 9298 9171), these eleven (11) appeals. PTAB received this package on December 21, 2021.

- C. On February 17, 2022, PTAB notified the appellants' counsel in each matter that the appellant's "...appeal was not timely filed with this agency. Therefore, PTAB lacks jurisdiction and dismiss the above-referenced appeal(s)."
- D. The February 17 dismissal letters state, "Appeals must meet one of the following deadlines in order to allow us jurisdiction, including:
Filed within 30 days of the written notice of application of the final township equalization factors adopted by the applicable Board of Review."
- E. Appellants contend these appeals were filed within 30 days of the written notice of the application of the final township equalization factors adopted by the applicable Board of Review.
- F. Per Section 1910.30 of the PTAB's rules, a property located outside of Cook County may file a petition for appeal under the following two (2) scenarios:
 - 1. Within 30 days after the due date of written notice of the decision of the Board of Review; OR
 - 2. Within 30 days after the date of written notice of the application of final adopted township equalization factors by the Board of Review.
- G. These 2021 appeals should be reinstated based on the fact that they were filed "within 30 days after the date of written notice of the application of the final adopted township equalization factors by the Board of Review."
- H. In this case, on December 10, 2021, Lake County's final property assessment equalization factor, also called the multiplier, was announced (Exhibit E – "Illinois DOR Announces 2021 Final Property Tax Multiplier for Lake County" And Exhibit F "2021 Lake County Final Multiplier Announced – Press Release Friday, December 10, 2021") – Per Exhibit E (appellants' Exhibit E could not be located with the motion);
- I. Appellants contend they had until January 9, 2022, to file a 2021 appeal for any Lake County properties pursuant to 1910.30(b);
- J. Each of the instant appeals was mailed to the Property Tax Appeal Board on December 17, 2021, via certified mail under USPS tracking #7020 3160 0001 9298 9171;
- K. The appeals were received by PTAB's Springfield office on December 21, 2021;
- L. Thus, the appellants contend, these 2021 Lake County appeals were timely filed before the January 9, 2022 deadline under Section 1910.30(b)(i.e., 30 days after written notice of the application of the final adopted equalization factor);
- M. Appellants argue they satisfied the requirements of Section 1910.30(b) in that these appeals were timely filed within 30 days after the date of written notice of the application of final adopted township equalization factors by the Board of Review.

Appellants request that the Motion to Vacate Dismissals and to Reinstate PTAB Docket No. 21-03601, 21-03602, 21-03603, 21-03606, 21-03608, 21-03609, 21-03610, 21-03612, 21-03614, 21-03636, and 21-03637 be granted.

d Richard & Susan Campbell: #17-38023–R-1 (Cook – Orland)

Motion To Vacate the Prior Decision and Withdraw Appeal

On February 15, 2022, the PTAB issued a decision in this matter based on a signed stipulation dated October 17, 2021, establishing a total assessment of \$65,626. A copy of the board of review decision and the Board of Review Notes on Appeal disclosed the subject property had a total assessment of \$37,058.

The appellants, through counsel, moves for entry of an Order granting their motion to vacate the prior decision and withdraw the appeal. In support, appellants state as follows:

1. Appellant seeks to vacate the Stipulation of Assessment by the Parties signed and dated October 17, 2021.
 - a. The appellant intended to withdraw the appeal of the 2017 property tax assessment case before the hearing date.
 - b. Appellant inadvertently signed and submitted a stipulation of assessment to the Board of Review with a total AV of \$65,626.
 - c. Since the final total AV for 2017 was \$37,058, we request that this number remain and stop any supplementary tax bill that may be issued by the Cook County Treasurer based on the higher number.
2. Respondent (Board of Review) will not be unfairly prejudiced if the PTAB grants this motion. The motion is brought for proper purposes and not for purposes of delay.

The appellants request an Order granting the motion to vacate the prior decision and withdraw the appeal.

The Cook County Board of Review was provided notice of the motion by the PTAB and responded that it had no objection.

e. Hannah Nargang: #21-05085 – R-1 (Kankakee – Bourbonnais)

Motion to Reinstate

Appellant filed the appeal with PTAB in an envelope postmarked “Champaign P&DC 61821 FRI 31 DEC 2021” from a decision of the Kankakee County Board of Review dated November 30, 2001. The appellant signed the appeal on December 28, 2021. On March 3, 2022, the PTAB dismissed the appeal due to being untimely (one day late).

The appellant requests the appeal be reinstated by letter postmarked March 21, 2022. Appellant states she has had health issues, and her son has been helping her with matters like this, especially in the winter. The appellant asserted that the letter with the appeal was

dropped off by her son in the box at the Bourbonnais post office on the evening of December 29, 2021, after he had an affidavit notarized. The appellant attached an affidavit dated December 29, 2021, signed by Michael Nargang, concerning the property's purchase. The appellant also asserted that a person on the telephone at the PTAB office mentioned a Champaign postmark on the letter her son mailed, but that was not the day the letter was mailed from Bourbonnais. The appellant asserts she received the notification/decision from the county board of review on December 3, 2021, in an envelope postmarked December 1, 2021. (Picture of the envelope was attached).

The appellant requested the appeal be reinstated since the appeal was filed within 30 days of the Kankakee County Board of Review's notice.

- f. Glacier Ventures, LLC: #20-08887 – C-1 (Lake – Vernon)

Motion to Reinstate

By envelope postmarked September 22, 2021, the Property Tax Appeal Board received a 2020 appeal from the appellant. The appeal was filed from a decision of the PTAB reducing the assessment for the 2019 tax year based on an agreement of the parties. The appellant submitted an appraisal estimating the property had a market value of \$2,550,000. By letter dated October 7, 2021, the PTAB returned the appeal as incomplete due to the appellant failing to complete section 2C of the appeal providing the assessment as determined by the assessor or board of review and the appellant's assessment request. The appellant was to respond by November 6, 2021; however, no response was received. By letter dated March 17, 2022, the appeal was dismissed for failure to respond to the incomplete checklist. On March 29, 2022, PTAB received this Motion to Reinstate from the appellant's counsel.

Counsel contends:

1. Due to an electronic filter or other technical error, the Board's notice to the appellant of a 30-day extension to return a corrected appeal sent on October 7, 2021, was not received by the appellant's attorney nor by any attorney or representative at the firm.
2. Despite searching all present electronic communication in the attorney's electronic mailbox, no record of the Board's notice was discovered.
3. As the appellant did not receive notice, it was unable to respond timely.
4. The Board issued its dismissal on March 17, 2022, and this motion was brought within 30 days of the dismissal.

Counsel submitted an affidavit in support of the motion. The appellant requested that the Property Tax Appeal Board issue an order reinstating the appeal and grant the appellant an opportunity to submit a corrected appeal and present its evidence.

Our IT department reports that the 10/7/21 e-mail was not opened, nor was it returned. Correspondence sent on 10/28 to the same e-mail address was opened. This attorney was just added to PTAB's database on 9/28/2021, so there is no correspondence before that time. After these October mailings, a "CC" was added to the attorney's e-mail account in our system.
