sale and contention of law, and the appellant requested a 90-day extension of time to submit evidence. On September 2, 2021, the PTAB granted the appellant a final 90-day extension with a due date of December 1, 2021. On November 30, 2021, the appellant submitted a revised appeal form with a brief stating the basis of the appeal was a recent sale. The appellant provided copies of the listing, the settlement statement, the warranty deed, and the sales contract. On December 16, 2021, the PTAB returned the appeal as "incomplete" because Section IV -Recent Sale Data - of the petition was not completed. PTAB gave the appellant a due date of January 15, 2022. The appellant did not respond to the incomplete notice. By letter dated March 17, 2022, the appeal was dismissed for failure to respond to the incomplete notice.

The appellant filed a Motion to Reinstate by correspondence postmarked March 25, 2022.

The appellant moves to reinstate the appeal, stating that the appellant received the incomplete checklist but did not timely file a response due to inadvertently missing the notice within the PTAB correspondence. The appellant's counsel requested reinstatement as a matter of fairness to the taxpayer and powers of the PTAB. The appellant contends the reinstatement will not prejudice the Cook County Board of Review. The appellant also responded to the PTAB's request in the Incomplete Appeal Checklist and attached a revised and completed Complaint with Section IV - Recent Sale Data filled out.

The property was purchased in June 2021 for a price of \$90,000. The subject has a total assessment of \$32,983, reflecting a market value of \$131,932.

- b. Michael Kang: #20-43883-C-1 (Cook – Lake)

Motion to Reinstate

By envelope postmarked June 23, 2021, the Property Tax Appeal Board received a 2020 appeal from the appellant. The appellant, through counsel, had marked Recent Sale and contention of law as the basis of the appeal. The appellant had completed Section IV - Recent Sale Data – of the appeal and indicated the property had not been advertised for sale. The appellant asserts that he purchased the subject property in an arms-length transaction between unrelated parties following exposure on the market. The appellant also submitted copies of the settlement statement, Special Warranty Deed, and the purchase agreement. The appellant requested an in-person hearing of the appeal before the PTAB.

On September 30, 2021, the PTAB returned the appeal as incomplete and requested clarification of whether the property was advertised for sale. The due date for the response was October 30, 2021; the appellant did not respond to the incomplete

notice. By letter dated March 17, 2022, the appeal was dismissed for failure to respond

The appellant's counsel, by correspondence, postmarked March 25, 2022, filed a Motion to Reinstate. The appellant acknowledged the receipt of the incomplete appeal checklist requesting clarification of an inconsistency in the appeal documents. The appellant admits he didn't respond timely due to inadvertently missing the notice within the PTAB correspondence. The appellant's counsel requested reinstatement as a matter of fairness to the taxpayer and powers of the PTAB. The appellant contends the reinstatement will not prejudice the respondent, the Cook County Board of Review. The appellant also responded to the PTAB's request in the Incomplete Appeal Checklist stating that the subject property was not marketed for sale as noted correctly in Section IV of the appeal form.

The property was purchased on November 13, 2020, for a price of \$75,000. The appellant requested that the assessment be reduced to \$18,750 to reflect the purchase price. The property currently has an assessment of \$54,999, which reflects a market value of \$219,996.

c. Ljubica & Radu Silveanu: #20-36395-R-1 (Cook - Lakeview)

Motion to Vacate, Withdraw & Reinstate

The appeal was filed on May 24, 2021, from a final board of review decision establishing a total assessment of \$122,822. The basis of the appeal was assessment inequity. On April 19, 2022, the PTAB issued a decision affirming a stipulated total property assessment of \$128,330.

On April 20, 2022, the appellants, through counsel, filed a Motion to Vacate, Withdraw and Reinstate the PTAB's decision.

The appellants state that shortly before the PTAB hearing date, the Cook County Assessor reduced the assessed valuation of the property and that the Assessor's decision should control the later settlement, which was made without knowledge of the Assessor's reduction.

The appellants requested the PTAB enter an order to allow the vacation of the PTAB's order and withdrawal of the 2020 Docket in the above-entitled cause and to reinstate the Assessor's \$122,822 assessed value.

The Cook County Board of Review has no objection to the Motion to Vacate and Withdraw.

d. J.C. Penney Company, Inc.: #20-43298-C-2 (Cook - Thornton)

Motion to Vacate Dismissal, Reinstate Appeal & Allow Appellant to File Documentary Appraisal Evidence Instanter.

By envelope postmarked June 22, 2021, the appellant filed an appeal and requested a 60-day extension. On September 23, 2021, the appellant was granted a 60-day extension with a due date of November 22, 2021. No evidence was submitted, and on March 17, 2022, the PTAB dismissed the appeal. On March 29, 2022, the appellant filed a Motion to Vacate Dismissal, Reinstate Appeal & Allow Appellant to File Documentary Appraisal Evidence Instanter.

The appellant asserts that on June 22, 2021, it filed a commercial appeal with the Illinois Property Tax Appeal Board and requested a 60-day extension of time to complete, review, and submit its documentary appraisal evidence while additional documentary appraisal evidence was in the process of being completed. On or about July 16, 2021, the appellant received its other documentary appraisal evidence but was still waiting to receive the PTAB's docketing letter before filing the evidence. On September 23, 2021, the PTAB docketed the appeal, granted the appellant's request, and extended the time for submission of evidence to November 22, 2021. On March 17, 2022, having not received the appellant's additional documentary appraisal evidence, the PTAB dismissed the above-captioned case based on a finding that the appellant did not satisfy the burden of going forward. Upon receiving the PTAB's Dismissal Letter, the appellant discovered that the appeal was inadvertently docketed in the attorney's internal docketing system without the evidence extension date. The appellant now requests that the PTAB reinstate the above-captioned case and allow the appellant to file an amended complaint with documentary appraisal evidence instanter. The appellant contends that reinstating the present case and allowing appellant to make its initial evidence submission would not cause any undue prejudice to the Board of Review, and, in the spirit of administrative efficiency, PTAB consider the fact that reinstating the present case would result in a more-timely resolution of the issues present in this case.

Included with the motion is an amended commercial appeal form, a Real Estate Analysis Corporation (REWAC) appraisal with an effective date of January 1, 2020, copies of the Gubernatorial Disaster Proclamation Dated March 9, 2020, the Presidential Disaster Declaration Release, issued March 26, 2020, and a REAC Market Value Impact Analysis of COVID Disaster with a date of valuation of March 9, 2020.

The subject property is also the subject matter of pending appeals in Docket Nos. 18-50740 & 19-54290.

- e. Grand Tower Energy Center LLC: #20-06868-I-3 (Jackson)

Motion to Dismiss

This case involves the property tax assessment of the Grand Tower Energy Center LLC ("Grand Tower"), a power plant in Jackson County, for the tax year 2020. On March 10, 2021, the Jackson County Board of Review entered its 2020 assessment decision for Grand Tower. Grand Tower timely appealed the decision on March 29, 2021, and requested a 90-day extension. On May 6, 2021, the PTAB granted Grand Tower a 90-day extension with a due date of August 4, 2021. On August 4, 2021, Grand Tower filed its evidence, including an appraisal estimating the property had a market value of \$3,500,000 as of January 1, 2020. The property has a 2020 assessed value of \$26,538,878.

By envelope postmarked March 25, 2022, the PTAB received a Motion to Dismiss from the Intervenor, Shawnee Community Unit School District No. 84 ("School District or Intervenor") and Jackson County Board of Review ("BOR"). The School District and BOR aver that on October 19, 2021, Grand Tower's 2020 real estate taxes in the amount of \$2,275,845, came due. They contend that Grand Tower failed to pay those taxes. Instead of paying its 2020 taxes under protest, as required by 35 ILCS 200/23-5, Grand Tower chose to default on the payment of the taxes. On December 10, 2021, the circuit court entered an order finding that the entire 2020 taxes associated with Grand Tower property, \$2,275,845, was delinquent and ordered the taxes sold at a tax sale. The School District and the BOR contend that Grand Tower has refused to pay its taxes. As a result, the School District and other Jackson County taxing districts risk losing approximately half of their expected local tax revenue. The School District and the BOR argue that the relief sought by the Grand Tower at the PTAB is limited to a refund of property taxes paid. They contend that since Grand Tower did not pay its taxes within 60-days of the first penalty date, the PTAB must dismiss the appeal. The School District and the BOR further contend that once the Order of Tax Judgement was entered against the subject property, Grand Tower could no longer contest the taxes, and due to the tax sale Order, the PTAB has no jurisdiction over the appeal. The School District contends that from a purely logical perspective, a taxpayer cannot pursue or be granted a refund of taxes that it has not paid in the first place. The Intervenor argues that a tax appeal is rendered moot when its resolution could have no practical effect on the existing controversy. The School District contends that Grand Tower's appeal is now moot, as it has failed to pay its taxes, so a decision

granting a refund cannot have any practical effect on the existing controversy. Therefore, the PTAB should dismiss this appeal as moot.

The Appellant, Grand Tower, filed a reply requesting that the PTAB issue a ruling denying the Intervenor's Motion to Dismiss. The appellant asserts that the Intervenor claims the Property Tax Code requires the payment of taxes as a prerequisite to filing an appeal with the PTAB. The appellant stated the Intervenor filed a similar motion in the 2014 appeal of the subject property before the Property Tax Appeal Board, which this Board denied. The appellant argued that this is not a tax objection case as stated by the Intervenor. The only issue before the PTAB is whether the assessment of the subject property was correct as of the valuation date. The appellant asserted that it is not possible for the owner to pay property taxes before filing an appeal with the PTAB.

Additionally, before the tax bill can be issued, the BOR must certify the assessments. Counsel for the Appellant also contends that Section 23-5 of the Property Tax Code does not require payment of taxes as a prerequisite to pursuing a PTAB appeal. According to the appellant, this Section only applies to tax objections, and an appeal to the PTAB is not considered a tax objection. The appellant cited *Madison Two Associates v. Pappas*, 227 Ill. 2d 474, (2008), in which the court explained that under the Property Tax Code a taxpayer has two options for challenging a board of review decision: (1) it could file an appeal with the PTAB (35 ILCS 200/16-160), or (2) it could pay the real estate tax due on the property (35 ILCS 200/23-5) and then file a "tax objection" complaint with the circuit court (35 ILCS 200.23-10). In footnote #2, the court in *Madison Two Associates* explained that, unlike a tax objection alternative, paying the property tax is not a prerequisite for seeking relief from the Property Tax Appeal Board. However, pursuing the appeal with the PTAB does not stay the obligation to pay the contested taxes. If the tax falls due before the PTAB issues its decision, the tax must still be paid. If the PTAB subsequently lowers the assessment, any taxes paid on the portion of the assessment determined to be unauthorized must be refunded with interest. (See 35 ILCS 200/16-185). The appellant requested that the Motion to Dismiss be denied.

The Intervenor and BOR filed a Response in Support of the Motion to Dismiss again, in summary, contending that the payment of taxes is required to pursue an appeal.

- f. University Park Energy LLC: #20-05696 - I -3 (Will – Monee)
LSP University Park LLC: #20-05697 - I -3 (Will – Monee)

Intervenor's Motion for an Extension of Time

University Park Public Library District (Library District) requested to intervene on September 14, 2021, and was granted a 90-day extension to submit evidence with a due date of January 5, 2022. On January 5, 2022, the Library District requested an additional 90-day extension, and the PTAB granted a Final 90-day extension with a due date of April 27, 2022. On April 20, 2022, the Library District filed another Motion for an Extension of Time. The Library District is asking for an additional 90-day extension.

The Library District explained that it, along with the board of review and Crete-Monee Community Unit School District 201, which intervened in the appeals but was subsequently defaulted, have retained appraisers Mark Pomykacz and Chris Olmsted of Federal Appraisal, LLC to appraise the property. The Library District explained that due to the unique nature of the property and the limited number of appraisers, the Intervenor's appraiser needs additional time to complete the reports. The School District explained it had contacted eight different appraisers (identified in the motion) and had a verbal agreement with Duff and Phelps when it filed its first extension request. Duff and Phelps then backed out of the assignment within the 90-day evidence deadline window, and the School District could not find and retain an appraiser to complete the appraisal within the 90 days. Included with the extension request is a letter from Mark Pomykacz explaining that due to his work obligations, he requested an additional eight weeks from the date of the letter, 4/19/22, to complete both appraisals.

The appellants, University Park Energy LLC & LSP University Park LLC ("Petitioner"), objected to the third (3rd) request for an extension of time to submit documentary evidence. The Petitioners contend that because the PTAB has already set a "Final" extension deadline for to submit its evidence, and because the Intervenor's request is unsupported by good cause, the PTAB should deny the Intervenor's Motion to Dismiss because when granting Intervenor its second extension, the PTAB clearly stated that it would be "Final," and that "No Further Extensions of Time" would be granted; and the Intervenor's Motion fails to comply with PTAB Rule 1910.60(f) for lack of "good cause" justifying the third request for additional time. The Petitioner contends the subject property is not "unique" nor particularly specialized. The Petitioner argued the only issue before the PTAB is the fair cash value of the real property (land, buildings, and site improvements). The specialized technologies referenced by the Library District are non-assessable power production machinery and equipment, not an issue in the appeals. The Petitioner also argues the Library District's motion fails to explain when during the second 90-day extension period, the appraiser from Duff and Phelps allegedly "backed out." The Petitioner also argued that the Library District's motion did not state when Mr. Pomykacz was engaged.

Both properties are peaker plants. The appellant requests assessment reductions in Docket No. 20-05696 of approximately \$3,000,000 and Docket No. 20-05697 of \$6,600,000. The BOR has requested to adopt the Intervenor's evidence in both files.

- g. Growmark Inc: #21-05394 -I -3 (Henry - Oxford)

Motion to Reinstate

By envelope postmarked January 27, 2022, the appellant filed with the PTAB and requested a 60-day extension. The appeal form indicated that the final written decision of the county board of review was dated 1/7/22. Attached to the appeal was a letter from the Henry County Board of Review addressed to Growmark, Inc. stating in part, "The Board of Review has dismissed your 2021 appeal due to the late submission."

The appellant's counsel submitted a brief in support of the appeal, asserting that on December 13, 2021, the appellant timely prepared and mailed a valuation appeal for the property; however, due to a clerical error, the appeal documents were mailed to an incorrect physical address. Counsel contends that as soon as the mistake was made known to the appellant, the appellant redirected the appeal documents to the Henry County Board of Review. The appellant provided a copy of a letter dated December 15, 2021, addressed to the Henry County Board of Review, resubmitting the appeal to the board of review. The appellant requested that the PTAB recognize the board of review letter dated January 7, 2022, as a final, appealable decision pertaining to the assessment of the property.

On March 3, 2022, the appeal was incomplete because the appellant did not include a copy of the Board of Review's final decision to establish jurisdiction. On April 1, 2022, the appellant responded to the incomplete notice and again submitted a Motion explaining that the appeal was incorrectly filed with the board of review and refiled with the board of review when the appellant became aware that the original filing was not addressed correctly. The appellant provided no final decision from the board of review but again submitted the letter from the board of review dated January 7, 2022, dismissing the appeal for being a late submission. By letter dated April 21, 2022, the appeal was dismissed due to not being timely filed rather than stating the PTAB has no jurisdiction because there was no final decision from the Henry County Board of Review pertaining to the assessment.

By envelope postmarked April 21, 2022, the PTAB received a Motion to Reinstate from the appellant requesting that the appeal be reinstated because the appeal was filed within 30 days of the written notice of the decision by the applicable board of review. The appellant contends that on January 7, 2022, the Henry County Board of Review entered a final decision relating to the appellant's underlying appeal

("BOR Decision"). The BOR Decision ended the underlying litigation of the assessment and thus was definitionally final. Appellant timely filed its appeal of the BOR Decision to PTAB on January 27, 2022. The appeal was filed within the required 30 days of receipt of the BOR Decision.

Appellant further contends that the BOR Decision dated January 7, 2022, constitutes a final, appealable decision under 735 ILCS 5/3-101, which defines a decision as "any decision, order or determination of any administrative agency rendered in a particular case, which affects the legal rights, duties or privileges of parties and which terminated the proceedings before the administrative agency." A dismissal from an administrative agency is a final, appealable decision. Citing *Pinkerton Security & Investigation Services v. Department of Human Rights*, 309 Ill. App. 3d 48 at 55, and *Brauer Machine & Supply Co. v. Parkhill Truck Co.*, 383 Ill. 569 (1943) at 574-75.

Appellant also requested the PTAB take judicial notice of the case of *Charles W. Cocoma v. Illinois Property Tax Appeal Board*, 2015 IL App (2d) 150076-U, when considering the motion to reinstate. In *Cocoma*, the PTAB dismissed an appeal for lack of jurisdiction under similar circumstances as presented herein. The Second District Appellate Court held that the appellant's appeal of the Winnebago County Board of Review's letter of dismissal constituted an appealable, final decision pertaining to the assessment. The appellate court reversed the PTAB's decision to dismiss and remanded the matter to PTAB to rule on the merits. (This is a Rule 23 unpublished decision issued prior to January 1, 2021. Rule 23(e), in its prior form [] mandated that case dispositions under Rule 23(b) were "not precedential and may not be cited by any party except to support contentions of double jeopardy, res judicata, collateral estoppel or law of the case." Ill. Sup. Ct., R 23, committee comments). Also see <https://chicagocouncil.org/illinois-supreme-court-amendment-to-rule-23/> .

The appellant argued the Henry County Board of Review never assigned a docket number nor scheduled a hearing. The appellant explained that the Property Tax Code recognizes a distinction between a failure to appear and other types of dismissals. The appellant contends Section 16-160 of the Property Tax Code reads in part, "If an appeal is dismissed for failure to appear at a board of review or board of appeals hearing, the Property Tax Appeal Board shall have no jurisdiction to hear any subsequent appeal on that taxpayer's complaint." 35 ILCS 200/16-160. The appellant asserted there is no similar language denying PTAB jurisdiction in other cases dismissed from boards of review. Absent such other language, the legislative will is interpreted to mean that no other such exception to PTAB's jurisdiction in matters dismissed by a board of review are intended. Because the appellant filed an appeal within 30 days of written notice of the decision of the

Henry County Board of Review, the appellant contends the PTAB has jurisdiction over this matter.

The appellant requested that the PTAB reinstate the appeal.
