FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Remo Macchini
DOCKET NO.: 08-20463.001-R-1
PARCEL NO.: 15-36-102-036-0000

The parties of record before the Property Tax Appeal Board are Remo Macchini, the appellant, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$12,420
IMPR.:	$55,371
TOTAL:	$67,791

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 2-story dwelling of masonry construction containing 2,289 square feet of living area. The dwelling is 83 years old. Features of the home include a partially finished basement, a fireplace and a 2-car garage[1].

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as 2-story masonry dwellings that range in age from 70 to 90 years old. The comparable dwellings range in size from 2,251 to 2,624 square feet of living area. Three comparables feature fireplaces, three have 1½ or 2-car garages, and one has central air conditioning. The appellant did not include any data concerning basements for the comparables. The comparables have improvement assessments ranging from $21.48 to $23.55 per square foot of living area. The subject's improvement assessment is $24.19 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

[1] The appellant states the subject has a fireplace. The board of review does not list a fireplace in this dwelling.

information on four comparable properties consisting of 2-story masonry dwellings that range in age from 72 to 87 years old. The dwellings range in size from 2,243 to 2,538 square feet of living area. All comparables feature full or partial basements, one of which is finished. All have fireplaces and 2-car garages. One comparable features central air conditioning. These properties have improvement assessments ranging from $25.23 to $26.69 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by both parties were similar to the subject in location, size, style, exterior construction, features and age. These comparables had improvement assessments that ranged from $21.48 to $26.69 per square foot of living area. The subject's improvement assessment of $24.19 per square foot of living area is within the range established by these comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
