Cook County Board of Review’s Motion to Vacate Order of Defaults & Accept Evidence Subsequently Submitted on 73 separate cases.

Summary: The Cook County Board of Review moves to vacate the finding of default that was entered against it on April 13, 2023, because the board of review failed to submit its evidence or seek an extension before the due date. The board of review contends that it attempted to submit its evidence timely, but due to a transmission error, its evidence was not timely filed.

Statement of Facts: On 12/01/2022, PTAB informed the Cook County Board of Review (CCBOR) of the above 73 petitions. The CCBOR was given until 03/01/2023 to submit evidence or seek an extension of time to do so. On 04/13/2023, PTAB found the CCBOR in default for these appeals because it failed to provide evidence or timely file for an extension.

On 05/15/2023, the CCBOR filed this Motion to Vacate Defaults. The CCBOR asserts that it “attempted to timely submit” substantive documentary evidence supporting its position and its Notes on Appeal. The CCBOR also indicated that the CCBOR would stipulate in the above appeals. The CCBOR included, in Exhibit A of the Motion, 30 pages of screenshots depicting computer data. For example:

The CCBOR argues that the default should be vacated because the CCBOR computer system date and time stamp the electronic file for each docket; that a timer begins to initiate a transmission every night at 8:00 p.m. that exports the corresponding evidence to a folder with the docket number, primary pin, and the Notes on Appeal in a text file. Then, each subsequent docket is appended to the daily text file with the same field. The CCBOR database indicated it had completed the transmission with the appropriate evidence and correctly exported the files. (See the screenshot above for 18-51342.)

However, due to a transmission error from December 20, 2022, to December 31, 2022, the CCBOR could not connect with the PTAB’s remote server. Since a connection could not be made, the files were not filed with the PTAB server, resulting in the default finding.

After filing its Motion to Vacate Defaults, the CCBOR on 05/26/2023 also submitted its Notes on Appeal and evidence in the above-referenced appeals. Along with the 5/26/2023 filing, the CCBOR requested a hearing in several cases.

The CCBOR moves that PTAB vacate its findings of default; make the CCBOR submission(s) part of the respective records; amend its dockets to indicate the CCBOR timely submitted evidence; and set these matters for hearings on the merits,

where requested. In the alternative, CCBOR requests hearings on the instant Motion to Vacate Default.

The PTAB required that the CCBOR send notice of this Motion to all appellants. As noted above, the appellants have no objection to the Board of Review's Motion to Vacate Defaults in seven cases.

Additional Facts not Plead in the Motion: According to PTAB's IT staff, initially, the CCBOR wanted PTAB's IT staff to retrieve data from the CCBOR server. Rule 1910.40, which has the full force of law¹, requires a board of review to submit its notes on appeal; it does not require PTAB to retrieve any evidence from any board of review server. So, PTAB declined the CCBOR's request to shift the burden to PTAB to retrieve the board of review's evidence. Additionally, the CCBOR unilaterally changed the electronic transmission format that was in place without consulting with PTAB IT staff. The standard practice was that the CCBOR would send a daily transmission to PTAB. However, the CCBOR changed its procedure to send a ZIP file at the end of the month that included both erroneous submission dates and duplicative materials that had already been filed – sometimes months earlier. In several e-mails, PTAB staff informed the CCBOR that PTAB could not and would not accept ZIP data files. PTAB IT staff also reports that PTAB servers were working normally throughout the relevant timeframe, and none of these 73 appeals appear in any of the ZIP file transmissions.

The Cook County Board of Review’s Motion to Vacate Order of Defaults in 71 cases and to Accept Its Evidence Submitted in ZIP files.

On 10/06/2022, PTAB informed the Cook County Board of Review (CCBOR) of the above petitions. CCBOR was given until 01/04/2023 to submit evidence or timely seek an extension to do so. On 11/07/2022, the CCBOR submitted its request for an extension, and on 11/14/2022, PTAB granted the CCBOR a FINAL 90-day extension from the original due date to 04/04/2023. On 05/04/2023, CCBOR was found in default for the above appeals for failure to provide evidence.

06/05/2023 CCBOR filed this Motion to Vacate Defaults and Accept Evidence Submitted. CCBOR contends that it “attempted to timely submit” substantive documentary evidence supporting its position, the Notes on Appeal with an indication that CCBOR would stipulate, or a fully executed stipulation for the above appeals.

To explain why the defaults should be vacated, the CCBOR asserts that the CCBOR computer system stamps the electronic file for each docket with a date and time stamp. The CCBOR contends that a timer begins to initiate a transmission every night at 8:00 p.m. that exports the corresponding evidence to a folder with the docket number, primary PIN, and the Notes in a text file, and each docket is appended with the same field to the daily text file. However, due to “transmission errors” from March 2022 to December 2022, the CCBOR could not establish a connection with the PTAB’s remote server on random dockets.

To “rectify” the issue, the CCBOR sent the PTAB electronic server monthly ZIP files purportedly containing PDFs of evidence and the text file for all dockets within a due date. The CCBOR contends that it timely sent to the PTAB server on 03/31/2023 all evidence with the due date of 04/04/2023, which included all these defaulted files.

Subject: [External] RE: ZIP File in FTP

Hi Dave,

The ZIP files are due to the data transfer errors that were happening the months before the beginning of Jan 1, 2023.

The zip we sent last week was all the Notes on Appeal, Co Star, and Summary's for the final extension deadline of 4.4.2023. The zip is to ensure that all evidence was received by the PTAB for the final extension deadline of 4.4.2023.

There are two more zip files that we will send in the future: Final extension deadline 5/2/2023 & Final extension deadline 5/30/2023. After that there should be no more zip files since the letter dates were after Jan 1,2023 when our **server** was fixed and changed to File Zilla.

Hope this helps, please reach out with any questions.

Exhibit B to the Motion depicts the ZIP file containing the evidence that was placed on the PTAB server on 03/31/2023 and was received by PTAB:

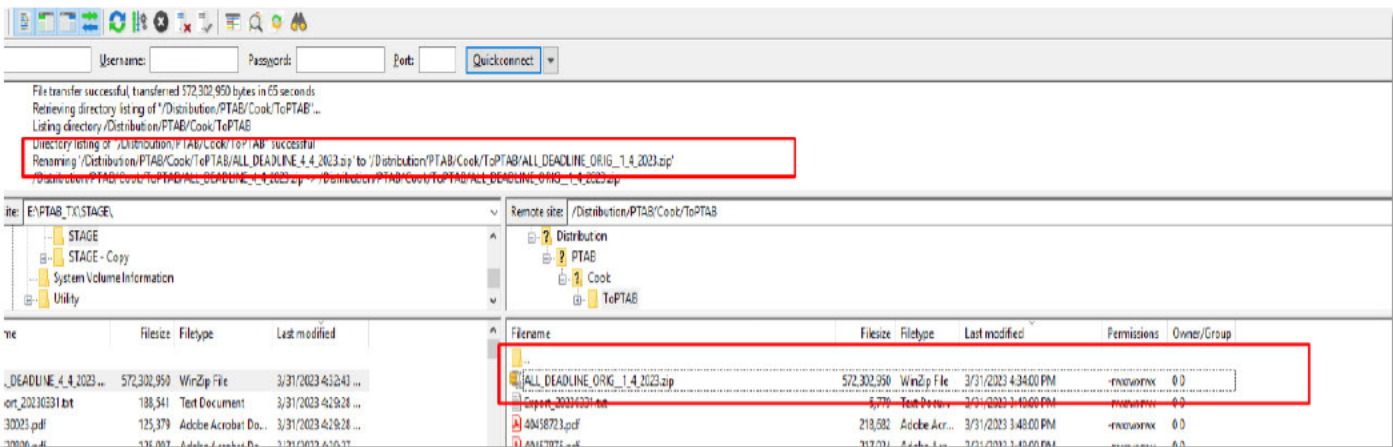

Exhibit C depicts the CCBOR computer internal OnBase system that evidence was placed in a file to be transmitted to the PTAB server on 03/31/2023:

BOR PTAB	PTAB Files transmitted to State	OBSERVICE	12/20/2022 9:00:08 PM	MANAGER	3/31/2023 4:06:01 PM

The CCBOR received notice PTAB had not received any evidence and that PTAB found the CCBOR in default.

The CCBOR moves that PTAB vacate its finding of default; make the CCBOR submission a part of the record; amend its dockets to indicate the CCBOR timely submitted evidence; set these matters for hearings on the merits, where requested; or alternatively, the CCBOR requests hearings on the instant Motion to Vacate Default.

Additional Facts Not Included in the CCBOR's Motion: As early as April 2023, PTAB IT staff repeatedly advised the CCBOR that submission of ZIP files is unacceptable for submitting evidence for pending appeals. Much of the data was repetitive or already processed by PTAB. Despite that information, the CCBOR contact never inquired how to improve the process and never consulted with PTAB before commencing the submission of ZIP files.

That is not always true, some never received an extension and were due back in November. Some I see that were due 4/4 are also in that file. The problem becomes is the majority of these have already been processed and have moved along in the process. The last time I did this I thought well maybe I will just use the ZIP file and not the daily file transfers, but the ZIP file does not contain everything. So that is the problem with the ZIP file. We are unable to use it without spending days picking through everything that is in the file.

While the evidence may have been delivered back in October on the FTP, the final evidence deadline date for last weeks zip should have only been for 4.4.2023.

Yes but that zip file contained evidence going all the way back to October. It was not just evidence due 4/4. That is what is making it extremely difficult, if not impossible, to decipher everything in the zip file.

Appellant's Motion to File After 30 Days from PTAB Decision

This matter involves the untimely filed direct industrial appeal of Lincoln Transload and Processing, LLC, from a favorable PTAB decision dated 04/18/2023. The new appeals were each hand-delivered on 06/07/2023, 20 days late. The appellant's basis of appeal was a recent sale in November 2018, and the requested reduction in assessment was from \$100,020 to \$46,312.

The appellant argues that per the Property Tax Code (35 ILCS 200/16-185), appeals must be filed within 30 days of the date of the relevant decision of the PTAB. However, Section 16-185 states, in part, that a taxpayer may, within 30 days after the date of written notice of PTAB's decision, appeal assessments for subsequent years directly to the PTAB. The taxpayer may file the appeal within 30 days of the date of written notice of the decision and not within 30 days of the decision. Further, Section 16-185 states that the final administrative decision of the PTAB shall be deemed served on a party when a copy of the decision is either deposited in the US Mail to the party or the party's attorney or is e-mailed to the party or the party's attorney, as listed in the pleadings, and as designated by the party. Therefore, Section 16-185 includes a notice requirement and constitutional procedural due process requirement. The Motion further argues that any rule asserted by the PTAB that any such appeals must be filed within 30 days of the date of the relevant PTAB decision without a requirement of notice to the taxpayer is inconsistent with 35 ILCS 200/16-185.

The appellant states, in the Motion, "to the best of my knowledge," Lincoln Transload & Processing LLC and its attorney did not receive a copy of the PTAB decision either by mail or e-mail. Counsel for the appellant first became aware of and obtained actual notice of the PTAB decision dated April 18, 2023, on June 6, 2023. This letter and related appeal are dated June 7, 2023. Wherefore, the appellant requests that PTAB consider these appeals timely.

PTAB's IT records reveal that the e-mail notification of the decision issued in Docket No. 19-02691 was sent to the appellant's counsel's e-mail address that PTAB currently has listed, and the e-mail was not returned as undeliverable. It is the same e-mail address depicted by counsel in the three newly submitted appeal petitions. Further, using Google Analytics, there is no indication that counsel opened the decision portfolio from the April 18, 2023, board meeting. Attached is a screenshot that depicts the PTAB e-mail record:

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185):

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the board of review or board of appeals or after adjournment of the session of the board of review or board of appeals at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-215 through 9-225, are being considered, the taxpayer may, **within 30 days after the date of written notice of the Property Tax Appeal Board's decision**, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board.

As displayed above in the e-mail to the counsel of record for the 2019 tax year decision for this property, the counsel was given written notice on 04/18/2023.

d. US Bank NA: #18-50751.001 thru .004-C-1 (Cook) (Lyons)

Appellant's Motion to Reinstate

This matter involves the commercial appeal by US Bank NA for the tax year 2018, purportedly from a favorable amended PTAB decision dated 01/18/2022. The appellant indicated a basis of recent appraisal and requested a change in the assessment of the four parcels comprising the property. However, the appellant failed to include a copy of the favorable PTAB decision with its petition. Thus, on 01/20/2022, PTAB issued an incomplete notice to the appellant for failure to provide the favorable PTAB decision letter dated 01/18/2022, where the appellant was given until 02/19/2022 to provide the required documentation or request an extension.

On 03/17/2022, PTAB dismissed the appeal for failure to provide the necessary documentation establishing jurisdiction.

On 06/20/2023, the appellant submitted this Motion to Reinstate and averred the failure of the appellant to respond timely to the notification and correct or supplement the PTAB Petition was due to not receiving notice of the Petition's deficiency, despite reviewing their e-mail archives for PTAB correspondence relating to the matter. The appellant could not locate any correspondence alerting them to the incomplete Petition. Furthermore, the appellant first became aware of the dismissal of this matter on 06/16/2023 "while conducting an audit of pending cases on the PTAB website."

Therefore, the appellant requested PTAB grant the Motion to Reinstate the appeal.

PTAB's IT records reveal that the e-mail notification of the incomplete checklist issued in Docket No. 18-50751 was sent to the attorney's e-mail address PTAB currently has listed, and the e-mail notification was not returned as undeliverable. Further, using Google Analytics, there is no indication that counsel opened the PTAB official correspondence of January 20, 2022. This depicts the PTAB e-mail record:

As displayed above, the e-mail was issued to counsel of record for the subject property, and counsel was sent written notice on 01/20/2022. e. Walgreens: #22-02656.001-C-2 (Whiteside)

Intervenors' Motion to Accept Intergovernmental Agreement in lieu of resolutions of the respective taxing districts & Requests to Intervene or Extension Motion

This matter involves the timely filed commercial appeal by Walgreens for tax year 2022 seeking a reduction in the assessment from \$566,751 to \$333,300 based on an appraisal. On 04/20/2023, the Whiteside County Board of Review was notified of this pending appeal. On 04/26/2023, Whiteside County notified affected taxing districts of this pending appeal.

On 06/23/2023, counsel filed an appearance on behalf of The City of Rock Falls (City), Rock Falls Elementary School Dist. #13, Rock Falls Township High School Dist. #301 and Sauk Valley Community College (Dist. #506), collectively as

intervenors. With the appearance, counsel filed a Motion for Extension / Leave, noting the intervention was based upon an Intergovernmental Agreement, which was attached as Exhibit A. It was further noted that appeals on this property also remain pending in Docket Nos. 19-00303, 20-06439 and 21-05650.

The intervenors argued that the Illinois Constitution, Art. VII, Sec. 10, authorizes local governmental units to enter into intergovernmental agreements. Statutorily, the Intergovernmental Cooperation Act (5 ILCS 220/1) authorizes governmental units to exercise powers jointly, where they may do so individually.

Section 7 of the Intergovernmental Agreement states, in pertinent part, concerning PTAB “each Taxing Body shall timely adopt such resolutions as may be necessary to authorize appeal and retention of joint legal counsel. The name/law firm of joint legal counsel is authorized to submit such appeal shall be expressly designated within any such resolution.”

The motion asserts that if PTAB declines to recognize the Intergovernmental authority to pursue intervention, intervenors request an extension of time of forty-five (45) days to file Resolutions authorizing intervention.

Whiteside County notified taxing districts on 04/26/2023, thus, the postmarked attempt at intervention without either the Request to Intervene forms and the respective resolution on 06/23/2023 was commenced on the 60th day after notice.

The PTAB procedural rules, 86 Ill. Admin. Code Sec. 1910.60(d)(2), state “the Request to Intervene must be accompanied by a copy of the resolution of the governing board of the taxing body authorizing its legal representative to file a Request to Intervene on its behalf.” Furthermore, the PTAB procedural rules at Sec. 1910.60(e)(2) incorporating the mandates of (e)(1) provide that “any Request to Intervene that is received without a properly adopted copy of the resolution of the governing board of the taxing body authorizing its legal representative to file the Request to Intervene on its behalf shall be treated as **incomplete and shall be returned**. The filing of an incomplete Request to Intervene **shall not extend** the 60-day deadline without a written request explaining good cause for failure to submit a properly completed Request to Intervene and resolution timely.”
