FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Charles Bowser
DOCKET NO.: 09-21068.001-R-1
PARCEL NO.: 28-17-302-023-0000

The parties of record before the Property Tax Appeal Board are Charles Bowser, the appellant(s), by attorney Julie Realmuto, of McCarthy Duffy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$3,000
IMPR.:	$24,227
TOTAL:	$27,227

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property has 7,500 square feet of land, which is improved with a 23 year old, multi-level, frame and masonry dwelling, containing 1,452 square feet of living area. The dwelling has two baths, a partial basement with a formal recreation area, a two and one-half car garage, air conditioning, and a fireplace.

The appellant's appeal is based on unequal treatment in the assessment process. In support of the equity argument, the appellant submitted information on four comparable properties described as multi-level, frame and masonry dwellings that range in age from 39 to 42 years old, and in size from 1,554 to 1,625 square feet of living area. The dwellings have from two to two and one-half baths. Three dwellings have air conditioning, and one has a fireplace. All of the dwellings have a partial basement. The comparables have improvement assessments ranging from $11.73 to $12.02 per square foot of living area. The subject's improvement assessment is $16.69 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of $27,227 was

disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of multi-level, frame and masonry dwellings that range in age from 23 to 24 years old, and in size from 1,384 to 1,390 square feet of living area. The dwellings have from one and one-half to two baths. All of the dwellings contain a partial basement with a formal recreation area, air conditioning, a fireplace, and a two-car garage. These properties have improvement assessments ranging from $16.80 to $17.31 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in location, size, style, exterior construction, features, and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from $16.80 to $17.31 per square foot of living area. The subject's improvement assessment of $16.69 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
