FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: John Kontalonis
DOCKET NO.: 09-24904.001-R-1
PARCEL NO.: 31-06-208-005-0000

The parties of record before the Property Tax Appeal Board are John Kontalonis, the appellant, by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$ 11,078
IMPR.:	$ 0
TOTAL:	$ 11,078

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2008 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a parcel of vacant land located on a 24,618 foot site. The property is located in Rich Township, Cook County. The subject is classified as a class 1-00 property

under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four land comparable sales, none of which are located ion the same area as the subject property.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $24,371. The subject's assessment reflects a market value of $50,355, or $2.05 per square foot of land.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located in the same neighborhood as the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment *is* not warranted.

The Board finds the best evidence of market value to be the *board of review's comparables.* These comparables sold for $5.00 per square foot of land. The subject's assessment reflects a market value of $2.05 per square foot of land, which is below the the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
