

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Estate of Jeanne Quinn  
DOCKET NO.: 09-27756.001-C-1  
PARCEL NO.: 20-12-101-020-0000

The parties of record before the Property Tax Appeal Board are Estate of Jeanne Quinn, the appellant(s), by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 21,113  
**IMPR.:** \$ 1,825  
**TOTAL:** \$ 22,938

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a parking lot on a 11,266 square foot site. The parking lot was constructed in 1978. The property is located in Chicago, Hyde Park Township, Cook County.

The appellant contends assessment land inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,604. The subject property has an land assessment of \$64,779 or \$23.00 per square foot of land area. In support of its contention of the correct assessment, the board of review submitted information on three sale comparables from the CoStar Comps Service.

At hearing, the appellant's attorney reaffirmed the evidence previously submitted. In addition, the appellant stated that the board of review's evidence did not address the appellant's equity argument and that the sale comparables are not similar to the subject in location. Lastly, the appellant stated that board of review's comparable #3 contains a lower assessment per square foot than the subject.

The board of review analyst reaffirmed the evidence previously submitted and distinguished the appellant's comparables based on land size.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables. These comparables were similar in classification and location and had improvement assessments of \$7.50 per square foot of land area. The subject's improvement assessment of \$23.00 per square foot of land area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
