

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kristin Starr
DOCKET NO.: 09-31557.001-R-1
PARCEL NO.: 25-18-308-024-0000

The parties of record before the Property Tax Appeal Board are Kristin Starr, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,100
IMPR.: \$14,482
TOTAL: \$46,582

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is 85 years old, and consists of a two-story dwelling of masonry construction containing 2,954 square feet of living area. Features of the home include a full basement, a fireplace and a 1.5-car garage. The property has a

32,100 square foot site and is located in Lake Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$425,000 as of January 1, 2006. The appraisal report was one page, and was unsigned and without attribution to a named appraiser. The single-page report contained the footer, "PAGE 1 OF 3."

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,582. The subject's assessment reflects a market value of \$523,393 or \$177.18 per square foot of living area including land, when using the board of review's indicated size of 2,954 square feet and when applying the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four suggested sales comparables. These sales occurred from May 2008 through July 2009 for prices that ranged from \$518,000 to \$832,500, or from \$178.81 to \$268.81 per square foot of living area including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board gives little weight to the appraisal report submitted by the appellant. That report is incomplete, not signed by and attributed to a named appraiser, and is dated three years prior to the lien date at issue.

The Board finds the best evidence of market value in the record to be comparable sales #1, #3 and #4 submitted by the board of

review. These comparables were similar to the subject in location, style, construction, features, age, living area and land area. These properties also sold proximately in time to the assessment date at issue. The comparables sold for prices ranging from \$178.81 to \$268.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$177.18 per square foot of living area, including land, which is below the range established by the best comparable sales in this record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
