

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kieran Moran
DOCKET NO.: 09-32570.001-I-1
PARCEL NO.: 17-08-428-014-0000

The parties of record before the Property Tax Appeal Board are Kieran Moran, the appellant(s), by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 10,837
IMPR.: \$ 62,712
TOTAL: \$ 73,549

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story warehouse building with 10,000 square feet of building area. The building was

constructed in 1917. The property has a 5,100 square foot site and is located in Chicago, West Chicago Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,549. The subject's assessment reflects a market value of \$294,196 or \$29.42 per square foot of building area, land included, when using the 2009 three year median level of assessment for Class 5a property of 25% as determined by the Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service.

At hearing, the appellant's attorney reaffirmed the evidence previously submitted.

The board of review analyst testified that the appellant's evidence are unadjusted sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables #1 and #2. The Board finds that appellant's comparable #1 and #2 are similar to the subject in building size, age, and sold within two months of the 2009 lien date. The remaining properties are considerable large in size containing between 18,946 to 20,000 square feet of building area. In contrast, the subject contains 10,000 square feet of building area. In addition, the Board accorded diminished weight to the properties submitted by the board of review as the

evidence provided is unconfirmed, raw data on sales. The appellant's two similar comparables does not constitute a range. Therefore, the Board finds this argument unpersuasive.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
