

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mobolaji Suleiman
DOCKET NO.: 10-28270.001-R-1
PARCEL NO.: 13-17-404-002-0000

The parties of record before the Property Tax Appeal Board are Mobolaji Suleiman, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 6,000
IMPR.: \$10,807
TOTAL: \$16,807**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is an 86 year-old, two-story dwelling of masonry construction containing 1,916 square feet of living area. Features of the home include a full finished basement and a two-car garage. The property has a 3,750 square foot site and

is located in Jefferson Township, Cook County. The property is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$188,000 as of January 27, 2011. The appraiser selected three 2010 sales as comparables. Each of these comparables was adjusted for time and building size.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,725. The subject's assessment reflects a market value of \$377,237, or \$196.89 per square foot of living area including land, when applying the 2010 three-year median level of assessment of 8.94% for class 2 property as determined by the Illinois Department of Revenue (86 Ill.Admin.Code §1910.50(c)(2)).

In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables. The board of review also submitted evidence that *lis pendens* and foreclosure notices were recorded against comparables #1 and #2 used by the appellant's appraiser.

In rebuttal, the appellant argued that that board of review submitted unadjusted sale comparables. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The board of review submitted evidence that *lis pendens* and foreclosure notices were recorded on two of the appraiser's sale comparables ostensibly for the proposition that they should be discounted by the Board as compulsory sales. The Illinois

General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer. (35 ILCS 200/16-183).

Accordingly, even if the appraiser's comparables #1 and #2 were compulsory sales, they may be considered as relevant evidence of market conditions by the Board.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$188,000 as of the assessment date at issue. Since market value has been established, the 2010 three-year median level of assessment of 8.94% for class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
