

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Phyllis Mategrano
DOCKET NO.: 10-30274.001-R-1
PARCEL NO.: 17-17-308-010-0000

The parties of record before the Property Tax Appeal Board are Phyllis Mategrano, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$19,890
IMPR.: \$33,510
TOTAL: \$53,400**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a three-story multi-family building of masonry construction with 5,742 square feet of building area. The building is approximately 111 years old and has four apartment units. Features of the property included a full basement finished with an apartment, central air conditioning and a three-car detached garage. The property has

a 5,850 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 apartment building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In this appeal the appellant provided information on five comparable sales improved with apartment buildings that ranged in size from 2,624 to 4,225 square feet of building area. The comparables ranged in age from 87 to 131 years old. The sales occurred from December 2009 to July 2010 for prices ranging from \$60,000 to \$390,000 or from \$20.12 to \$93.80 per square foot of building area, including land.

The appellant submitted a copy of the final decision issued by the board of review disclosing a total assessment of \$69,271. The subject's assessment reflects a market value of \$692,710 or \$120.64 per square foot of building area, including land, when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

The board of review did not timely submit its "Board of Review Notes on Appeal" and evidence in support of the assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value timely submitted to be appellant's comparable sales. These comparables sold for prices ranging from \$20.12 to \$93.80 per square foot of building area, including land. The subject's assessment reflects a market value of \$120.64 per square foot of building area, including land, which is above the range established by the appellant's comparable sales. The board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the rules of the Property Tax

Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this record the Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
