

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dzelal Djelovic
DOCKET NO.: 10-31903.001-R-1 through 10-31903.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Dzelal Djelovic, the appellant, by attorney John P. Fitzgerald of Fitzgerald Law Group, P.C., in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-31903.001-R-1	17-06-226-018-0000	14,250	24,359	\$38,609
10-31903.002-R-1	17-06-226-019-0000	14,250	27,141	\$41,391

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject matter of this appeal is comprised of two adjacent Class 2-12 mixed use residential and commercial properties as provided by the Cook County Real Property Assessment Classification Ordinance. The subject parcels are improved with

a three-story building with 5,400 square feet of rentable area and a four-story building of with 5,820 square feet of rentable area. The buildings were constructed in 1894. The improvements are situated on approximately 6,000 square feet of land area. The subject properties are located in West Chicago Township, Cook County, Illinois.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject properties had a combined market value of \$800,000 as of January 1, 2010. The appraiser developed the three traditional approaches to value in arriving at the final opinion of value.

The appellant also submitted the final decisions issued by the Cook County Board of Review disclosing the subject properties' total assessment of \$128,293. The assessment reflects an estimated market value of \$1,282,930 when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for Class 2-12 property of 10%. Based on this evidence, the appellant requested the subject's assessment be reduced to reflect the appraised value.

The board of review did not timely¹ submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). By letter dated June 4, 2013, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden

¹ The Cook County Board of Review was notified of this appeal on December 3, 2012 and given 90 days to submit its responsive evidence by March 3, 2013. The Property Tax Appeal Board received the board of review's response to this appeal on May 22, 2013, which is 80 days past the due date.

of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value contained in this record is the appraisal submitted by the appellant estimating the subject properties had a combined market value of \$800,000 as of January 1, 2010. The subject properties' total assessment reflects a market value of \$1,282,930, which is considerably more than the appraised value as submitted by the appellant. The board of review did not timely submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). Based on this evidence, the Board finds a reduction in the subject's assessment is warranted commensurate with the appellant's assessment request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
