

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: White Oak Properties Group LLC
DOCKET NO.: 10-32127.001-R-1
PARCEL NO.: 16-14-404-043-1001

The parties of record before the Property Tax Appeal Board are White Oak Properties Group LLC, the appellant, by attorney Richard J. Caldarazzo of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,552
IMPR: \$1,748
TOTAL: \$3,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium. The property has a 3,625 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-99 residential condominium under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on March 10, 2011 for a price of \$33,000.

The appellant submitted a copy of the final decision issued by the board of review disclosing the total assessment for the subject property of \$17,989. The subject's total assessment reflects a market value of \$179,890 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2-99 property of 10%.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$3,300 to reflect the purchase price.

The board of review did not submit its "Board of Review Notes on Appeal" and evidence in support of the assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record to be the purchase price of the subject property presented by the appellant. The appellant provided evidence that the subject property was purchased in March 2011 for a price of \$33,000. The subject's assessment reflects a market value of \$179,890, which is above the purchase price. The board of review did not submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this record the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
