

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daljeet Singh
DOCKET NO.: 10-32169.001-R-1
PARCEL NO.: 04-11-301-060-0000

The parties of record before the Property Tax Appeal Board are Daljeet Singh, the appellant, by attorney Sonja R. Johnson of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,298
IMPR.: \$105,702
TOTAL: \$135,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 7,439 square feet of living area. The dwelling is approximately 20 years old. Features of the home include a partial finished basement, central air conditioning, three fireplaces and a four-car attached garage. The property has a 30,840 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as

a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,350,000 as of September 1, 2010. The appraisal was prepared by Daniel McCain of Daniel McCain & Associates. In estimating the market value of the subject property the appraiser developed the sales comparison approach to value using four comparable sales.

The appellant also submitted a copy of the final decision issued by the board of review establishing a total assessment of \$168,520. The subject's assessment reflects a market value of \$1,682,500 when applying the Cook County Real Property Assessment Classification Ordinance level of assessments for class 2-09 property of 10%. Based on this evidence, the appellant requested the subject's assessment be reduced to \$135,000 to reflect the appraised value.

The board of review did not timely submit its "Board of Review Notes on Appeal" and evidence in support of the assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value timely submitted in this record to be the appraisal submitted by the appellant. The appellant's appraiser estimated the subject property had a market value of \$1,350,000 as of September 1, 2010. The subject's assessment reflects a market value of \$1,685,200, which is above the appraised value. The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this record

Docket No: 10-32169.001-R-1

the Board finds a reduction in the subject's assessment commensurate with the appellant's requests is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
