

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joe Summerville
DOCKET NO.: 11-24298.001-R-1
PARCEL NO.: 14-18-321-021-0000

The parties of record before the Property Tax Appeal Board are Joe Summerville, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 11,875
IMPR.: \$ 28,458
TOTAL: \$ 40,333

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two buildings. Building #1 is a two-story, masonry, multi-family dwelling with two apartments. Building #2 is a one and one-half story, frame, building commonly referred to as a coach house. The buildings are located on a 3,125 square foot site located in Lake View Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$425,000 as of January 1, 2011. The appraisal stated that a physical inspection had been undertaken on January 17, 2014, while indicating that the subject's buildings contain 3,156 square feet of living

area. The appraisal also stated that all of the subject's units were not available for sale or lease. The appraisal developed the sales comparison approach to value using seven sales. In addition, the appraisal's client was identified as Joseph Summerville located in Celebration, Florida. Furthermore, the appellant requested a reduction based upon application of the three-year median level of assessment for the 2011 tax year.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,244. The subject's assessment reflects a market value of \$877,176 when applying the 2011 three year median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue. As to the subject's buildings, the board of review's grid sheets reflect a total of 3,651 square feet of living area without further documentation.

In support of its contention of the correct assessment, the board of review submitted descriptive, and assessment information on a total of five suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of building size and market value to be the *appraisal submitted by the appellant*. The Board finds the subject property is tenant-occupied with a market value of \$425,000 as of the assessment date at issue. Since market value has been established, the 2011 three year median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
