

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gerald Brin  
DOCKET NO.: 12-01659.001-R-1  
PARCEL NO.: 16-21-410-013

The parties of record before the Property Tax Appeal Board are Gerald Brin, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$51,674  
**IMPR.:** \$78,874  
**TOTAL:** \$130,548

Subject only to the State multiplier as applicable.

**Analysis**

The subject property consists of a part two-story and part one-story dwelling of frame construction with 2,859 square feet of living area. The dwelling was constructed in 1976. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 12,863 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$345,000 as of January 1, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$130,548.

The board of review submitted correspondence stating that the subject property was an owner occupied dwelling that was the subject matter of an appeal before the Property Tax Appeal Board for the 2011 tax year under Docket Number 11-02283.001-R-1. In that appeal the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$136,986 based on an agreement by the parties. The board of review further explained that West Deerfield Township's general assessment period began in 2011 and runs through tax year 2014. For assessment year 2012 a township equalization factor of .9530 was applied. The board of review explained that the assessment for the 2012 tax year was calculated by applying the 2012 equalization factor to the Property Tax Appeal Board's prior 2011 decision, in accordance with section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds that no reduction is warranted. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board further finds that the subject property was the subject matter of an appeal for the 2011 tax year in which the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$136,986. The record further disclosed the subject property is an owner occupied dwelling and the 2011 and 2012 tax years are in the same general assessment period.

The record also disclosed that an equalization factor of .9530 was applied in West Deerfield Township in 2012. Furthermore, the decision of the Property Tax Appeal Board for the 2011 tax year was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in an assessment of \$130,741. The Board finds the Lake County Board of Review followed the procedure as set forth by Section 16-185 of the Property Tax Code in determining the subject's assessment for the 2012 tax year and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
