

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Myles Reif  
DOCKET NO.: 12-03087.001-R-1  
PARCEL NO.: 08-07-302-017

The parties of record before the Property Tax Appeal Board are Myles Reif, the appellant, by attorney Dennis D. Koonce of Dennis Koonce Attorney at Law in Frankfort; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$58,390  
**IMPR:** \$61,560  
**TOTAL:** \$119,950

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick construction with 2,522 square feet of living area. The dwelling was constructed in 1962. Features of the home include an unfinished basement, central air conditioning, a

fireplace and an attached 483 square foot garage. The property has a 1,128 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on September 19, 2011 for a price of \$360,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,600. The subject's assessment reflects a market value of \$415,966 or \$164.93 per square foot of living area, land included, when using the 2012 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales.

The board of review argued that the subject was sold by a motivated seller and included a print-out from [www.redfin.com](http://www.redfin.com) as support.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in September, 2011 for a price of \$360,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised by the Multiple Listing Service and it had been on the market for 77 days. In further support of the transaction

the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any credible evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. The Board gave less weight to the board of review's comparable sales because this evidence does not overcome the subject's arms-length transaction. Based on this record the Board finds the subject property had a market value of \$360,000 as of January 1, 2012. Since market value has been determined the 2012 three year average median level of assessment for DuPage County of 33.32% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
