

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nick & Maria Deastis
DOCKET NO.: 12-03183.001-R-1
PARCEL NO.: 03-15-218-017

The parties of record before the Property Tax Appeal Board are Nick & Maria Deastis, the appellants, by attorney Brian S. Maher of Weis, DuBrock, Doody & Maher, in Chicago, and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,500
IMPR: \$139,900
TOTAL: \$184,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 4,140 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement with finished area, central air conditioning, a fireplace and a garage. The property has a 10,480 square foot

site and is located in Wood Dale, Addison Township, DuPage County.

The appellants contend assessment inequity as the basis of the appeal. In support of this argument the appellants submitted information on three equity comparables. Based on this evidence, the appellants requested an improvement assessment of \$127,981 or \$30.91 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$184,400. The subject property has an improvement assessment of \$139,900 or \$33.79 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2 and #3. These comparables were similar to the subject in size, age, features and location. These comparables had improvement assessments that ranged from \$30.98 to \$33.90 per square foot of living area. The subject's improvement assessment of \$33.79 per square foot of living area falls within the range established by the best comparables in this record.

The Property Tax Appeal Board gave diminished weight to the appellants' comparables along with board of review comparables #4 and #5 as each of these dwellings were significant smaller than the subject dwelling.

Based on this record the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
