

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Sajan  
DOCKET NO.: 13-03745.001-R-1  
PARCEL NO.: 09-29-405-002

The parties of record before the Property Tax Appeal Board are George Sajan, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$43,650  
**IMPR.:** \$64,260  
**TOTAL:** \$107,910

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-story dwelling of brick and frame construction with 1,458 square feet of living area. The dwelling was constructed in 1984. Features of the home include a full, partially finished basement, central air conditioning, a fireplace and a two-car garage. The property has a 12,400 square foot site and is located in Darien, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$275,000 as of March 21, 2012. The purpose of the appraisal was for a mortgage finance transaction with the intended user being the lender/client.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,910. The subject's assessment reflects a market value of \$323,860 or \$222.13 per square foot of living area, land included, when using the 2013 three

year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be board of review comparable sales #1 and #3 based on date of sale, location and/or features. These two sales sold for prices of \$325,000 and \$307,000, respectively or for \$227.27 and \$236.15 per square foot of living area, including land. The Board gave less weight to the appellant's appraisal because the adjustments were not well supported. In addition, the sales in the appraisal occurred in 2011 and the final opinion of value is for March 2012, which dates are all more remote in time to the assessment date of January 1, 2013 than the board of review's sales. The subject's assessment reflects a market value of \$323,860 or \$222.13 per square foot of living area, land included, which is within the range established by the best comparable sales in this record on a total sales price basis and below the sales on a per square foot basis. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
