

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Duane Blink
DOCKET NO.: 15-33974.001-C-1
PARCEL NO.: 29-15-400-047-0000

The parties of record before the Property Tax Appeal Board are Duane Blink, the appellant, by Michael Griffin, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,749
IMPR.: \$1
TOTAL: \$10,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a former frame-constructed barn that is a one-story commercial building with a mezzanine/loft. The building was built in 1877 and contains approximately 3,300 square feet of building area used as storage. The site is approximately 18,653 square feet in size and is located in South Holland, Thornton Township, Cook County. The subject is classified as a class 5-93 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an Appraisal Report estimating the subject property had a market value of \$43,000 or \$13.03 per square foot of building area as of January 1, 2014. The appellant submitted a copy of the 2015 board of review decision which disclosed that the subject property had an assessment of \$25,163. The subject's assessment reflects a market value of \$100,652 or \$30.50 per square foot of

building area, land included, at the 25% level of assessments for class 5 properties. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or timely submit evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only timely evidence of market value in the record to be the appraisal submitted by the appellant estimating the subject had a market value of \$43,000 as of January 1, 2014. The Board finds the subject's assessment reflects a market value of \$100,652 which is greater than the appraised value submitted by the appellant. The board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the evidence submitted by the appellant as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.40(a)) and was found to be in default by a letter dated May 17, 2018. The Board has examined the information submitted by the appellant and finds a reduction in the assessed valuation of the subject property commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
