

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert DiFatta  
DOCKET NO.: 15-39854.001-R-1  
PARCEL NO.: 06-07-402-033-0000

The parties of record before the Property Tax Appeal Board are Robert DiFatta, the appellant, by Louis Capozzoli, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$220  
**IMPR.:** \$8,817  
**TOTAL:** \$9,037

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 765 square feet of living area. The dwelling is approximately 30 years old. Features of the home include a slab foundation, central air conditioning and a fireplace. The property has a 551 square foot site and is located in Elgin, Hanover Township, Cook County. The subject is classified as a Class 2-95 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales. The appellant also submitted a copy of the 2014 decision of the Property Tax Appeal Board disclosing the subject property had a total assessment of \$4,815 under the prior year Docket Number 14-34190.001-R-1 reflecting a market value of \$48,150 or \$62.94 per square foot of living area, including land, when using the 2014 Cook County Real Property Classification Ordinance level of 10% for Class 2-95 property. The

appellant reported the subject's 2015 total assessment of \$9,037. The appellant requested the subject's assessment be reduced to \$3,524.

The board of review did not timely submit its "Board of Review Notes on Appeal" nor timely submit its evidence in support of its assessed valuation of the subject property.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the only timely evidence of market value to be the comparable sales submitted by the appellant. The subject's assessment reflects a market value of \$90,370 or \$62.94 per square foot of living area, including land. The Board gave little weight in its analysis to the comparables submitted by the appellant as the comparable sales were dated and not indicative of the subject's 2015 market value as of January 1, 2015. In addition, the comparables were dissimilar to the subject based on size and/or basement foundation. The appellant's comparables sold from December 2010 to February 2012 for prices that ranged from \$44.39 to \$54.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$62.94 per square foot of living area, which falls above the range established by the only comparables in this record. However, the Board finds the comparable sales were dated and not similar to the subject. The board of review did not timely submit its evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is not warranted based on the evidence submitted herein.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
