

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marc Hoffman
DOCKET NO.: 16-03200.001-R-1
PARCEL NO.: 15-06-305-108

The parties of record before the Property Tax Appeal Board are Marc Hoffman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,846
IMPR.: \$230,869
TOTAL: \$267,715

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 4,375 square feet of living area. The dwelling was constructed in 2007. Features of the home include a full basement with finished area, central air conditioning, two fireplaces and a 963 square foot garage. The property has an 18,006 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from .29 to .37 miles from the subject property. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 4,020 to 4,534 square feet of living area. The dwellings were constructed from 2006 to 2013. Each comparable has a basement, three of which have finished area, central air conditioning, two or three fireplaces, and a garage ranging in size from 657 to 880 square feet

of building area. The comparables have sites ranging in size from 12,460 to 17,912 square feet of land area. The comparables sold in June 2014 to December 2015 for prices of \$605,700 to \$770,000 or from \$149.26 to \$176.63 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$267,715. The subject's assessment reflects a market value of \$807,343 or \$184.54 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales, one of which was utilized by the appellant, located from .025 to .39 of a mile from the subject property. The comparables were improved with two-story dwellings of brick or frame exterior construction that range in size from 3,860 to 4,589 square feet of living area. The dwellings were constructed in 2006 and 2007. Each comparable has a full basement, three of which have finished area, each comparable has central air conditioning, one to three fireplaces, and a garage ranging in size from 737 to 1,007 square feet of building area. The comparables have sites ranging in size from 12,460 to 18,594 square feet of land area. These properties sold from June 2015 to August 2017 for \$770,000 to \$870,000 or from \$169.83 to \$202.72 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales, one of which was utilized by both parties, for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3, along with board of review comparable #1, due their unfinished basements, when compared to the subject. The Board also gave less weight to appellant's comparable #5 as it is a dated sale in August 2014 and less indicative of the subject's market value as of the January 1, 2016 assessment.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #4, which is the board of review comparable #3, along with the board of review comparable #2. These comparables are similar to the subject in location, size, design, age and features. These comparables sold for prices of \$675,000 to \$870,000 or from \$162.77 to \$202.72 per square foot of living area, including land. The subject's assessment reflects a market value of \$807,343 or \$184.54 per square foot of living area, including land, which is within the range, as established by the most similar comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's

estimated market value as reflected by the assessment is supported and no reduction is warranted. Based on this evidence the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
