

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carole Klein-Alexander
DOCKET NO.: 16-04389.001-R-1
PARCEL NO.: 15-36-204-009

The parties of record before the Property Tax Appeal Board are Carole Klein-Alexander, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$88,413
IMPR.: \$145,030
TOTAL: \$233,443

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,922 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a 642 square foot attached garage. The property has a 11,494 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .19 of a mile from the subject property. The comparables are described as two-story dwellings of frame exterior construction ranging in size from 3,120 to 3,353 square feet of living area. The dwellings were constructed in 1996 or 1997. The comparables have basements, one of which has finished area. Features of each home include central air conditioning; a fireplace and a garage ranging in size

from 380 to 672 square feet of building area. The comparables have sites ranging in size from 9,075 to 12,085 square feet of land area. The comparables sold from February 2014 to September 2015 for prices ranging from \$630,000 to \$725,000 or from \$201.92 to \$220.06 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$233,443. The subject's assessment reflects a market value of \$703,990 or \$240.93 per square foot of living area, including land, when applying the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .187 of a mile from the subject property. The board of review comparables #1 and #3 are the same properties as appellant's comparables #2 and #3. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 2,829 to 3,353 square feet of living area. The dwellings were constructed from 1995 to 1997. The comparables have basements, two of which have finished areas. Each comparable features central air conditioning, a fireplace and a garage ranging in size from 380 to 644 square feet of building area. The comparables have sites ranging in size from 9,075 to 15,133 square feet of land area. The comparables sold from July 2014 to August 2016 for prices ranging from \$690,000 to \$725,000 or from \$216.22 to \$243.90 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted five suggested comparable sales for consideration, two of which were submitted by both parties. The Board gave less weight to the appellant's comparable sale #1 along with board of review comparable sale #2 due to their dated sales which are less indicative of market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be the two common comparables submitted by both parties along with board of review comparable #4. The Board finds these three comparables sold most proximate in time to the January 1, 2016 assessment date and are most similar to the subject in location, site size, design, age, dwelling size, and most features. The comparables sold from May 2015 to August 2016 for prices ranging from \$690,000 to \$725,000 or from \$216.22 to \$243.90 per square foot of living area including land. The subject's assessment reflects a market value of \$703,990 or \$240.93 per square foot of living area, including land which falls within the range established by the most similar comparable sales in

this record. After considering adjustments to the comparables for differences, when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
