

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marilyn Sauerberg
DOCKET NO.: 16-31381.001-R-1
PARCEL NO.: 09-16-106-068-0000

The parties of record before the Property Tax Appeal Board are Marilyn Sauerberg, the appellant(s), by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,710
IMPR.: \$26,797
TOTAL: \$32,507

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 48-year-old, two-story dwelling with 2,560 square feet of living area of frame and masonry construction. Features of the home include a partial basement, central air conditioning, a fireplace and a two-car garage. The property has a 9,931 square foot site and is located in Maine Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a brief arguing that the subject is located in a flood zone where beginning in 2013 FEMA began buying out properties and demolishing them. The appellant submitted pictures of the subject property, an aerial map, three newspaper articles, and a letter from the City of Des Plaines stating that the subject has been selected for the voluntary buyout program.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$0.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,507. The subject's assessment reflects a market value of \$325,070 when applying the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to meet its burden of proof. The appellant failed to provide an appraisal of the subject, any offers as part of the voluntary program, or sufficient sales comparables information for properties that were bought under the voluntary program and subsequently demolished. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
