

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dino Fazio
DOCKET NO.: 16-35143.001-R-1
PARCEL NO.: 29-04-115-012-0000

The parties of record before the Property Tax Appeal Board are Dino Fazio, the appellant, by attorney William I. Sandrick of Sandrick Law Firm, LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,015
IMPR.: \$6,985
TOTAL: \$8,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story masonry construction apartment building with 3,609 square feet of living area. The building is approximately 51 years old. Features of the building include six units composed of four, one-bedroom units and two, two-bedroom units.¹ Each unit is serviced by an individual gas-fired, hot water boiler system. The property has a 5,990 square foot site and is located in Riverdale, Thornton Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$80,000 as of January 1, 2016. In describing the subject property, the appraiser explained that there has

¹ The appellant's appraiser at various places in the report describes the property as being improved with three units, four units and six units. However, in the both the sales comparison approach to value and the income approach to value the appraiser utilized six units in estimating the market value of the subject property.

been limited demand for apartment buildings in the area due to the high overall tax rate of 77.63%. (See appraisal, page 58.) The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$12,275 reflecting a market value of \$122,750 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%. The appellant requested the subject's assessment be reduced to \$8,000.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$80,000 as of January 1, 2016. The subject's assessment reflects a market value of \$122,750, which is above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
