

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aiden Dunican
DOCKET NO.: 18-32704.001-R-2
PARCEL NO.: 14-20-218-042-0000

The parties of record before the Property Tax Appeal Board are Aiden Dunican, the appellant(s), by attorney Daniel J. Farley, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$105,525
IMPR.: \$134,475
TOTAL: \$240,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story, multi-family building of masonry construction with 5,323 square feet of living area. Features of the building include five and two-half baths, a full apartment basement and deluxe condition. The dwelling was constructed in 2000. The property has a 3,350 square foot site and is located in Chicago, Lake View Township, Cook County. The property is a class 2-12 under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance").

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$2,400,000 as of January 1, 2018. Appellant requested that the Board apply the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance. Appellant requested a reduction of the subject's assessed value to \$240,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$382,000. The subject has a total improvement assessment of \$276,475. The subject's assessment reflects a market value of \$3,820,000 when applying the 2018 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review submitted four sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$3,820,000 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$2,400,000.00 as of the assessment date at issue. Since market value has been established, the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
