

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Bergin
DOCKET NO.: 18-41523.001-C-1
PARCEL NO.: 32-29-202-028-0000

The parties of record before the Property Tax Appeal Board are Dan Bergin, the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,551
IMPR.: \$ 0
TOTAL: \$8,551

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year after receiving a decision from the Cook County Board of Review. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 28,502 square foot vacant parcel of land. It is located in Bloom Township, Cook County and is classified as a Class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of the equity argument, the appellant submitted assessment information for five properties suggested as comparable to the subject. The comparables are described as Class 1-00 properties with 10,000 to 84,612 square feet of area. They had a land assessment per square foot value ranging between \$0.30 and \$0.35 and were all in close proximity to the subject property. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its Notes on Appeal disclosing the total assessment for the subject of \$18,526. The subject property has an improvement assessment of \$0. The subject had a land assessment per square foot value of \$0.65. In support of the subject's assessment, the board of review failed to submit any documentation.

Both parties waived their right to an oral hearing.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #1 through #4. These comparables are most similar to the subject property based on size, usage and location. They had an improvement assessment of \$0.30 per square foot of area. The subject's assessment of \$0.65 per square foot of area falls above the range established by the best comparables contained in this record. Accordingly, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
