

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Petro Misioura
DOCKET NO.: 18-45752.001-C-1 through 18-45752.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Petro Misioura, the appellant(s), by attorney Jennifer Kanik, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-45752.001-C-1	16-01-424-044-0000	2,229	31,608	\$ 33,837
18-45752.002-C-1	16-01-424-046-0000	2,708	31,455	\$ 34,163

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the “Board”) finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

Both parties initially requested a hearing on the merits. On July 20, 2023, the appellant filed a motion waiving the request for a hearing, and requesting that the decision be written on the evidence submitted. Pursuant to 86 Ill.Admin.Code §1910.64(d), the board of review was granted 21 days to respond to the appellant’s motion. The board of review failed to timely respond, and, therefore, waives any objection to the appellant’s requests in the motion. Id. The Board hereby grants the appellant’s motion, and issues this Final Administrative Decision based on the evidence submitted without an oral hearing.

The subject consists of a one-story building of masonry construction with 2,726 square feet of building area. The building is 10 years old. The property’s site is 12,743 square feet, and it is located in West Chicago Township, Cook County. The subject is classified as a class 5-97 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$68,000.¹

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$125,563. The subject property has an improvement assessment of \$120,626, or \$44.25 per square foot of building area.

The board of review did not submit any evidence in support of the subject's current assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof, and that a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be all of the appellant's equity comparables. These equity comparables had improvement assessments ranging from \$7.70 to \$19.25 per square foot of building area. The subject's improvement assessment of \$44.25 per square foot of building area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant has proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject's assessment to the assessment requested by the appellant is warranted.

¹ The Board notes that the appellant's multi-PIN addendum to the petition requests that the subject's assessment be reduced to \$68,000, but that, after being granted an extension of time to submit evidence, the appellant purported to amend its requested assessment to \$48,959. However, the appellant did not submit an updated multi-PIN addendum to the petition with the new requested assessment. As such, the Board finds that the appellant failed to properly amend its requested assessment, and that the original requested assessment of \$68,000 is controlling.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
