

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Kaufman
DOCKET NO.: 19-06187.001-R-1
PARCEL NO.: 16-22-305-027

The parties of record before the Property Tax Appeal Board are David Kaufman, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,920
IMPR.: \$235,546
TOTAL: \$280,466

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,152 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement finished with a recreation room,¹ central air conditioning, two fireplaces and a 768 square foot garage. The property has a 9,670 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within 1,152 feet of the subject property and within the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of

brick, stucco, dryvit or wood exterior construction ranging in size from 3,669 to 4,821 square feet of living area. The dwellings were built from 1996 to 2001. The appellant reported that each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 624 to 780 square feet of building area. The comparables have improvement assessments that range from \$189,001 to \$245,418 or from \$50.91 to \$51.93 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$213,059 or \$51.31 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$280,466. The subject property has an improvement assessment of \$235,546 or \$56.73 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within 1,394 feet of the subject property and within the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick, dryvit or brick and stucco exterior construction ranging in size from 3,885 to 4,749 square feet of living area. The dwellings were built from 1996 to 2003. The board of review reported that each comparable has a basement finished with a recreation room, central air conditioning, one or two fireplaces and a garage ranging in size from 609 to 728 square feet of building area. The comparables have improvement assessments that range from \$222,904 to \$264,496 or from \$55.70 to \$60.88 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables, along with board of review comparable #4 due to their dissimilar dwelling sizes and/or lack of a basement recreation room, when compared to the subject dwelling. The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, #3 and #5, which are similar to the subject in location, dwelling size, design, age and most features. The comparables have improvement assessments that range from \$222,904 to \$250,696 or from \$55.84 to \$60.88 per square foot of living area. The subject's improvement assessment of \$235,546 or \$56.73 per square foot of living area falls within the range established by the best comparables in the record both in terms of overall improvement assessment and on a square foot basis. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
