

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carole Klein-Alexander  
DOCKET NO.: 19-07366.001-R-1  
PARCEL NO.: 15-36-204-009

The parties of record before the Property Tax Appeal Board are Carole Klein-Alexander, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$86,972  
**IMPR.:** \$135,459  
**TOTAL:** \$222,431

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding construction with 2,922 square feet of living area. The dwelling was constructed in 1996 and is approximately 23 years old. Features of the home include a basement with 889 square feet of finished area, central air conditioning, a fireplace, and a garage with 642 square feet of building area. The property has an 11,494 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables consist of two-story dwellings of wood siding exterior construction that are approximately 23 years old. The homes range in size from 3,142 to 3,411 square feet of living area. Each dwelling has central air conditioning, a full unfinished basement, and a garage ranging in size

from 398 to 661 square feet of building area. Three of the four comparables each have one fireplace. The comparables have improvement assessments ranging from \$127,305 to \$140,292 or from \$37.32 to \$43.65 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$120,970 or \$41.40 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$222,431. The subject property has an improvement assessment of \$135,459 or \$46.36 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables consist of one or two-story dwellings of wood siding exterior construction that were built between 1995 and 1997. The homes range in size from 2,922 to 3,181 square feet of living area. Each dwelling has a full basement with between 900 and 1,778 square feet of finished area. All have central air conditioning, and a garage ranging in size from 398 to 642 square feet of building area. Four of the five comparables each have one fireplace. Comparable #4 features a wood deck. The comparables have improvement assessments ranging from \$137,730 to \$151,031 or from \$45.01 to \$47.48 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 through #4 along with board of review comparable #1 due to their size, story height, lack of finished basement area, and/or lack of fireplace. Additionally, board of review comparable #4 features a wood deck which is not a feature of any other comparable.

The Board finds the best evidence of assessment equity to be board of review comparables #2, #3, and #5. The Board finds these comparables are more similar to the subject in size and features. These comparables had improvement assessments that ranged from \$138,280 to \$144,653 or from \$45.01 to \$47.32 per square foot of living area. The subject's improvement assessment of \$135,459 falls below the range established by the best comparables in the record on an overall basis. On a per-square-foot basis, the subject's improvement assessment of \$46.36 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences, the Board finds the appellant did not demonstrate with clear and convincing

evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
