

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregg Mandell
DOCKET NO.: 19-21949.001-R-1
PARCEL NO.: 05-20-300-048-0000

The parties of record before the Property Tax Appeal Board are Gregg Mandell, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,150
IMPR.: \$82,850
TOTAL: \$107,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 82-year-old, two-story, single-family dwelling of frame and masonry construction with 4,287 square feet of living area. Features of the home include a partial basement utilized as a recreation room, central air conditioning, two fireplaces and a 2.5-car garage. The property has a 16,100 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,070,000 as of January 1, 2019. The appraisal relied on the sales comparison approach, and it contained information on four comparable sales; in addition to one comparable listed as a current offering. The comparable properties sold between January 2018 and June 2018. The comparable

properties ranged: in price between \$1,087,500 to \$1,167,500; in size between 3,829 to 5,012 square feet of living area; and in sale price per square foot between \$232.94 to \$291.20, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,377.

However, the appellant submitted the board of review's decision letter dated, November 22, 2019, which showed the total assessment for the subject property to be \$115,000. This assessment amount reflects a market value of \$1,150,000 or \$268.25 per square foot of living area, land included, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the best evidence of the subject's market value is the appraisal submitted by the appellant. That appraisal employed the sales comparison approach, relying upon recent sales of four suggested comparable properties. The appraisal stated that the sale prices of the suggested comparable properties were adjusted to account for differences between them and the subject, and the appraiser determined that the subject's market value was \$1,070,000. In contrast, the board of review's evidence consists of data concerning equity comparables and provides no sales data.

Accordingly, the Board finds the subject property had a market value of \$1,070,000 as of the assessment date at issue. Based on the evidence, the Board therefore finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
